NOTE: Please make sure the bed slats close to the side rail before locking the screws to avoid breakage. This step is required for both the left and right sides. Moreover, please do not lock the screws of the bed slats at the outermost edge to avoid damaging.

REMARQUE : Assurez-vous que les lattes du sommier sont proches de la barrière latérale avant de serrer les vis afin d'éviter toute casse. Cette étape est obligatoire pour les côtés gauche et droit. De plus, ne serrez pas les vis des lattes du sommier sur le bord extérieur afin d'éviter tout dommage.

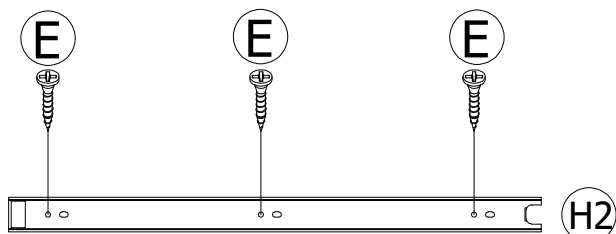

Make sure to tighten all the screws of the bed.

Assurez-vous de bien serrer toutes les vis du lit.
