## THANK YOU FOR YOUR PURCHASE!

The **TERRA SERENITY** armchair features a sleek, modern design with vintage leatherette upholstery and elegant black conical metal legs.

Its curvy backrest and armrests provide comfort and support, while the detailed stitching adds a touch of sophistication. This stylish chair is perfect for both home and commercial settings, offering a blend of comfort and contemporary design.

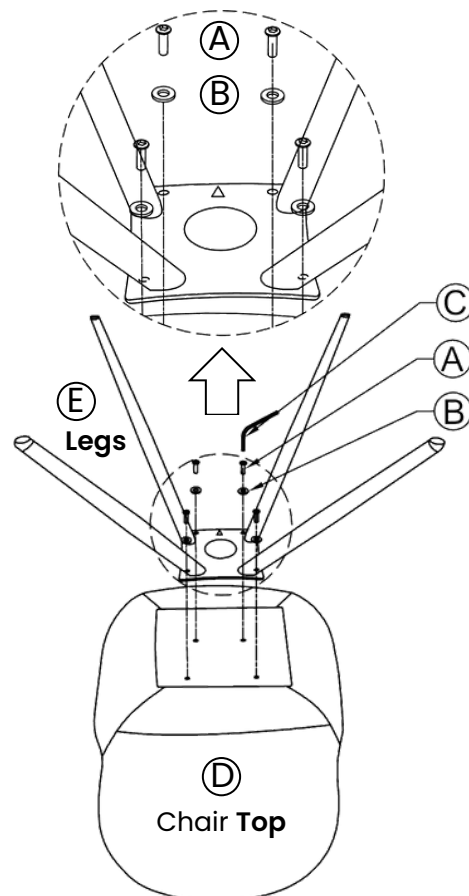

### SPECIFICATIONS

		Overall Dimensions (W x D x H): <b>22" x 22.4" x 30.1"</b>
		Seat Height: <b>18.1"</b> Seat Depth: <b>16.9"</b>
		Weight: <b>15 lbs.</b>
		Weight Capacity: <b>265 lbs.</b>
		Seat Cover: <b>Leatherette (Polyurethane)</b>

### ASSEMBLY INSTRUCTIONS

 Screws	 Washers	 Allen Wrench	 Chair Top	 Legs
------------	-------------	------------------	---------------	----------

- 1 UNPACK THE CONTENTS:** Lay out all parts and hardware. Identify the 4 (four) screws (A), 4 (four) washers (B) and Allen Wrench (C)
- 2 PREPARE THE CHAIR TOP:**
  - Place the chair top (D) upside down on a flat surface (such as a table or counter)
  - Ensure someone holds the chair top to prevent it from falling
- 3 ATTACH THE CHAIR LEGS:**
  - Align the 4 (four) holes in the chair legs (E) with the holes on the bottom of the chair top (D)
  - Insert the screws (A) through the washers (B) into the holes in the chair legs (E)
  - Tighten the screws with the Allen Wrench (C) securely
- 4 FINAL CHECK:** Flip the chair upright, ensure the chair is stable, and enjoy your newly assembled **TERRA SERENITY**!

Please see **CARE INSTRUCTIONS** on the back

## CARE INSTRUCTIONS

### ABOUT THE MATERIAL

Leatherette consists of thermoplastic polymer (polyurethane) applied on a fabric. The front is embossed to have the visual characteristics of leather, so the surface feels like a waxed leather.

The surface of the material is susceptible to grease and fluids which can penetrate the surface and leave hard-to-remove stains. That's why applying **leather sealer** before even starting using the chair is recommended to protect the material (please see below).

### PROTECTION

Sealing the surface with leather sealer (for example, **GUARDSMAN® Leather Protect & Preserve**: either wipes or paste) is recommended before you start using the chair. Carefully follow the instructions on the back of the sealer and always test the sealing product in a non-visible spot first.

Apply the leather sealer **1-2 (one-two) times a year** to retain the qualities of the material.

### CLEANING

For everyday care, wipe with a damp cloth **withOUT soap** (as using detergents regularly could potentially ruin the surface). Use as little water on the cloth as possible.

- Avoid using any harsh detergents or chemicals
- Do NOT spot clean; clean the entire surface instead (try NOT to rub too hard)

### MAINTENANCE

Regularly check and **tighten screws** to maintain stability.

Place your chair at least 1 (one) foot away from a heat source (such as a radiator or fireplace) to ensure the leatherette does NOT dry out.

We hope you enjoy your new **TERRA SERENITY** chair!
