## Step 9

The cushions and pillows are packaged by vacuum compression. After opening the package, they rebound quickly within 4 hours. If the fabric has wrinkles, they will basically disappear after about 72 hours.

### TIPS

1. Please do not open the compressed packages until your sofa frame is completely assembled.
2. Compressed back cushions and pillows need to be fully fulfilled within 72 hours for your perfect use.
3. Please keep children away from plastic bags or any small pieces of stuff.
