### Installation Instructions

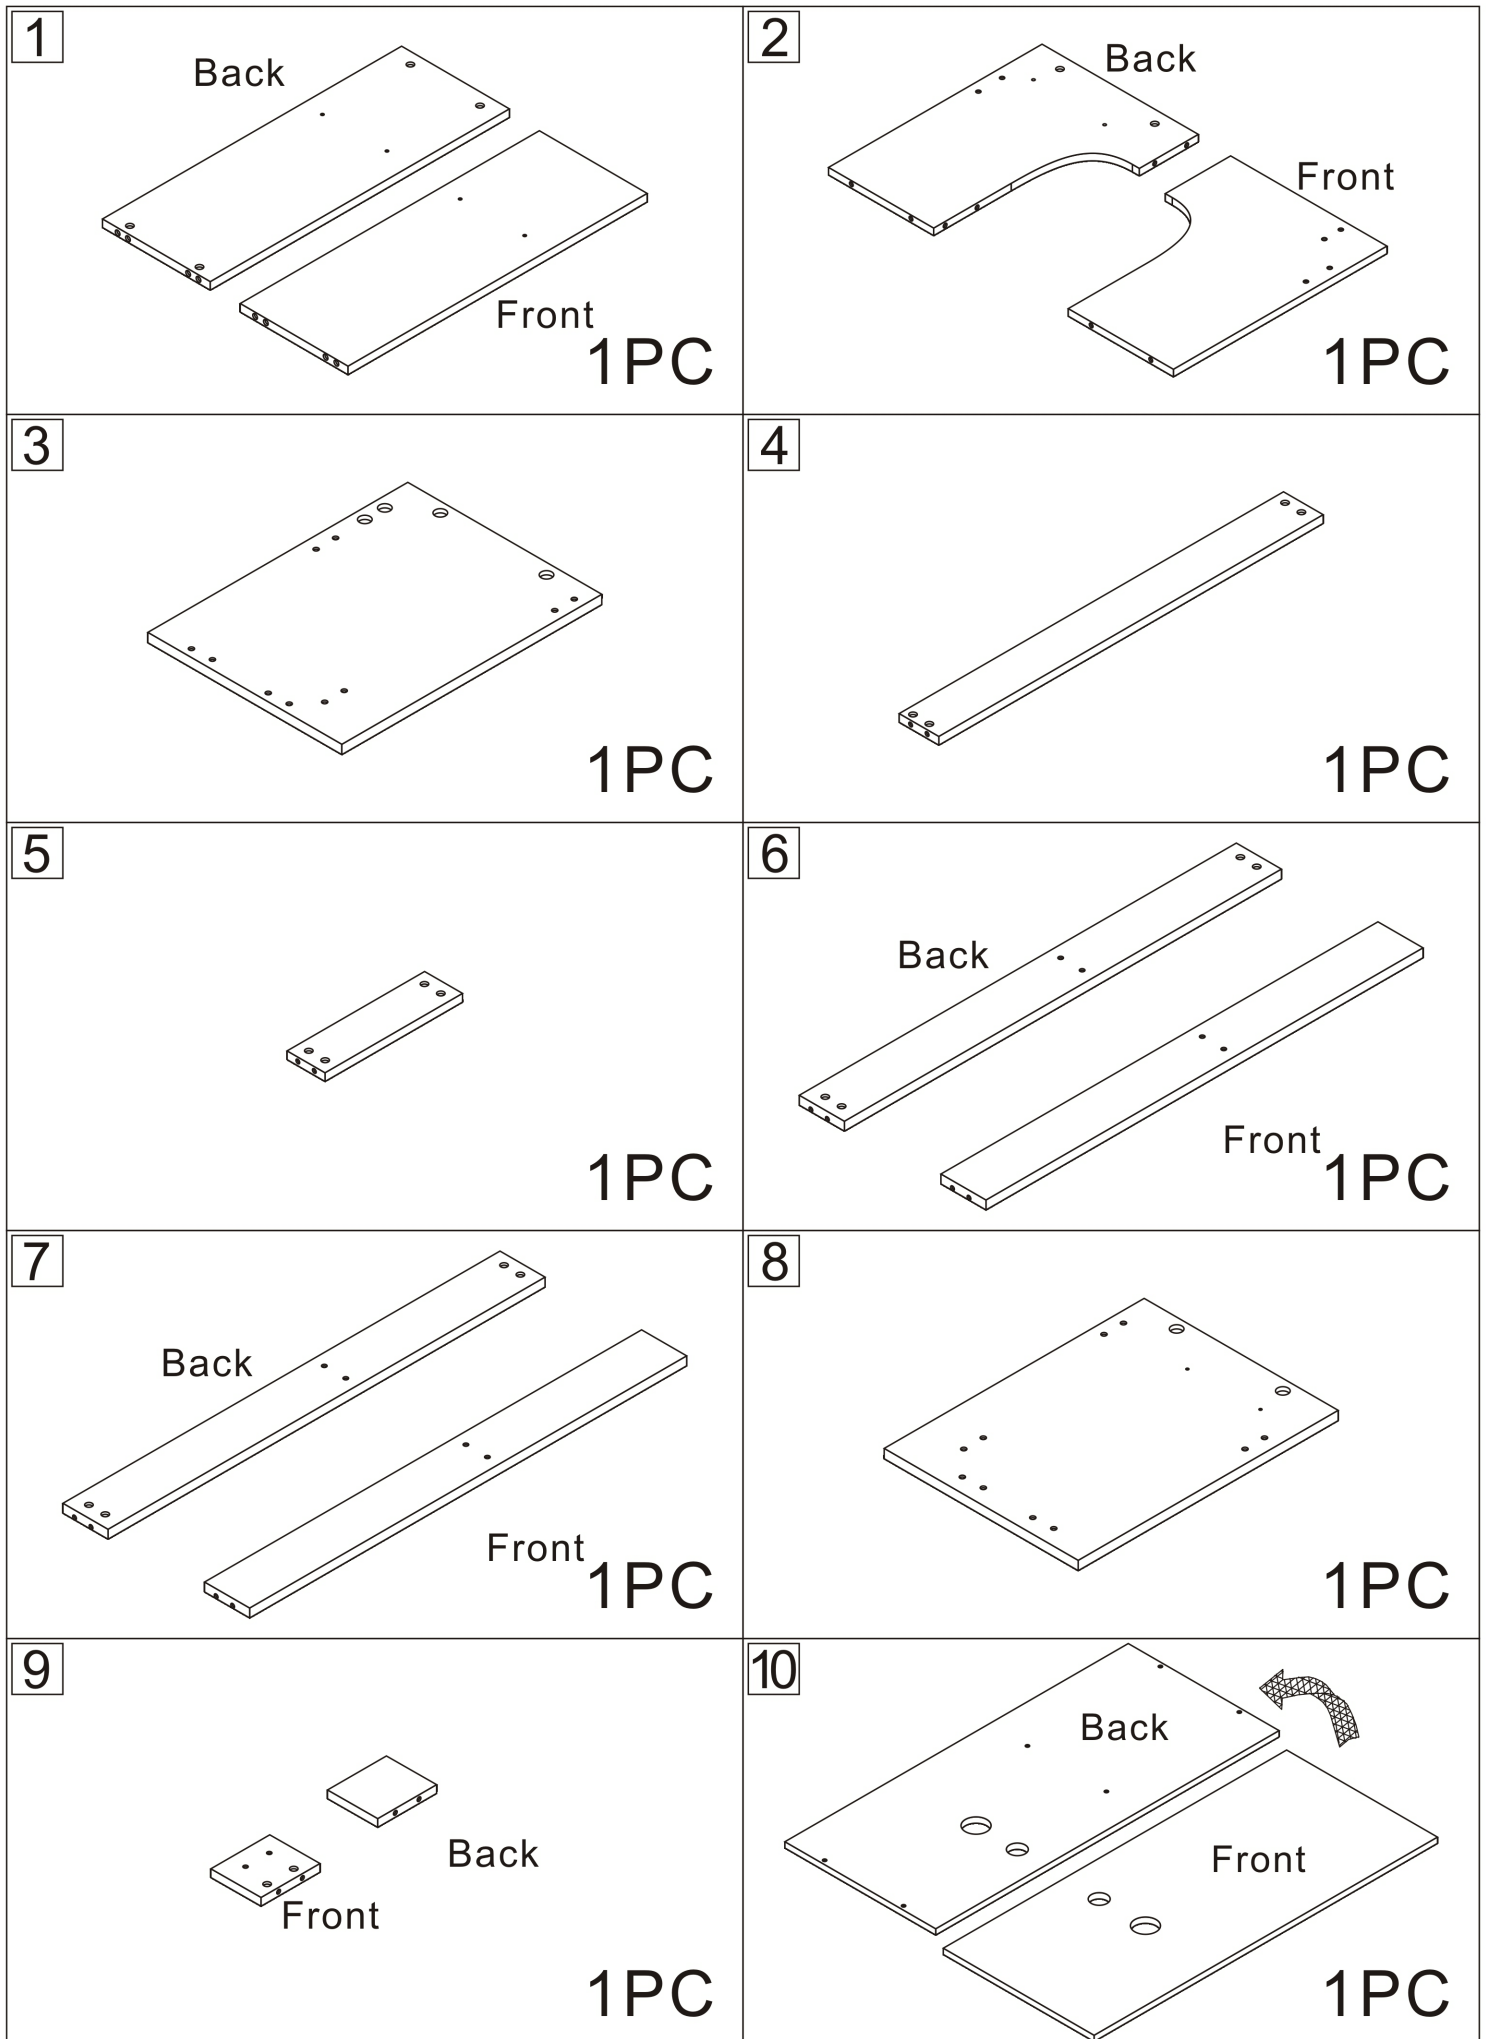

Notes: Don't tighten screws completely at first, just in case parts were assembled wrongly and need disassemble. Tighten screws at last when all parts are put together.

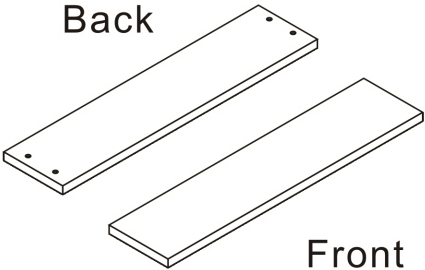

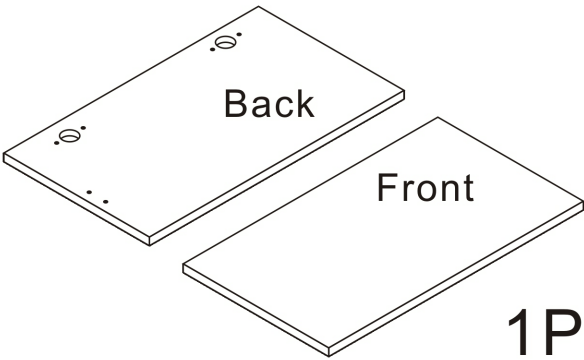

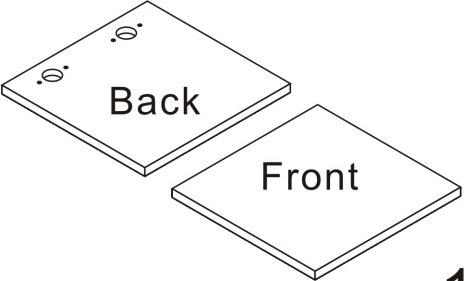

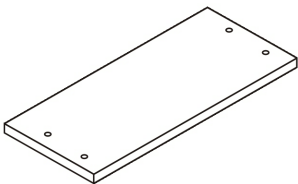

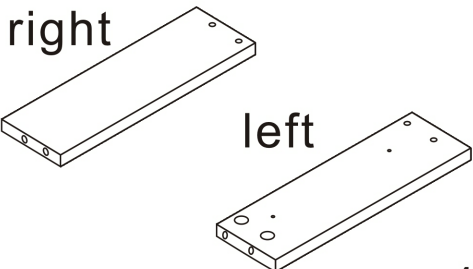

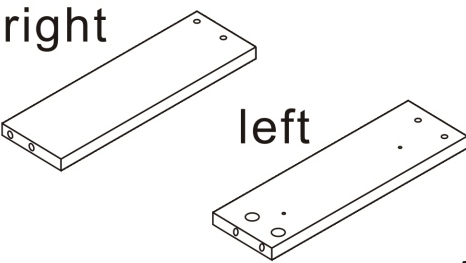

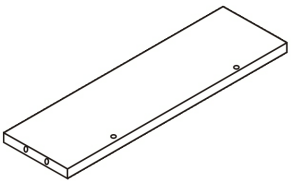

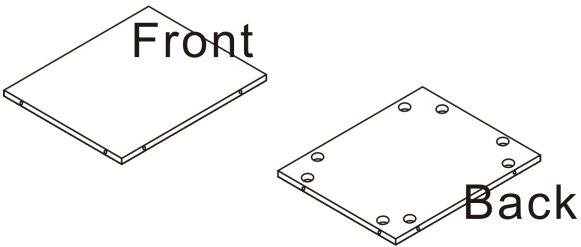

### Disassembly and installation of accessories

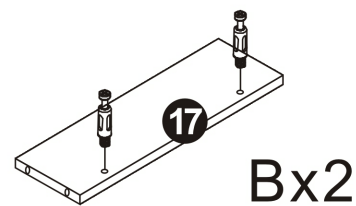

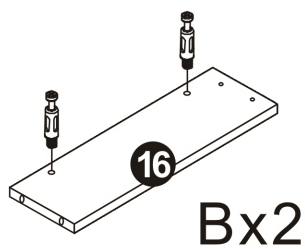

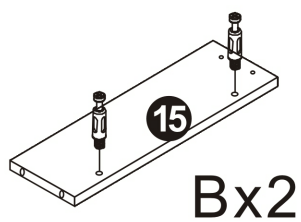

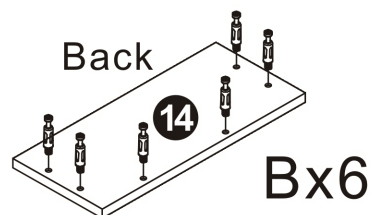

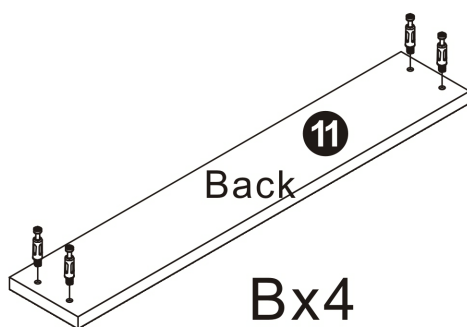

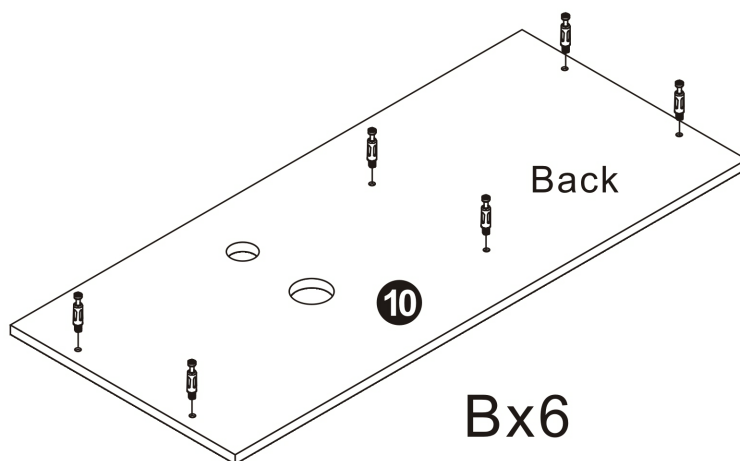

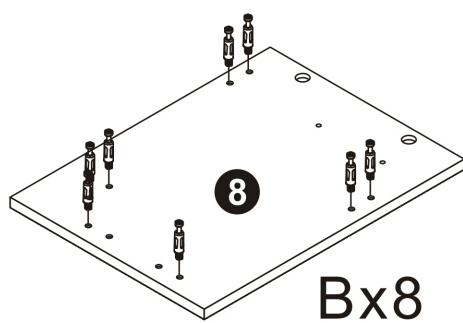

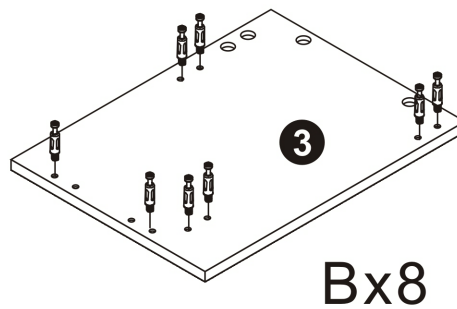

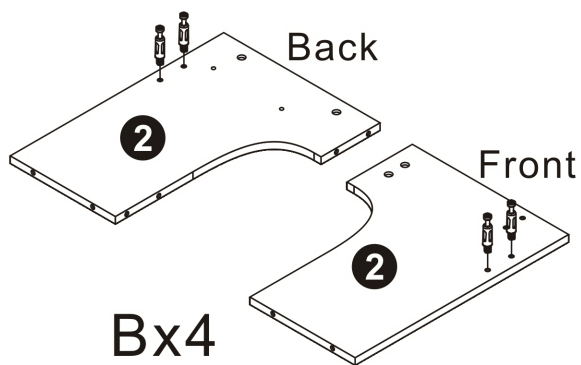

|                                                                                                                            |                                                                                                                         |                                                                                                                     |                                                                                                                  |                                                                                                                |                                                                                                                  |                                                                                                                |                                                                                                                         |
