Assembling Guide

Thank you for choosing our product!

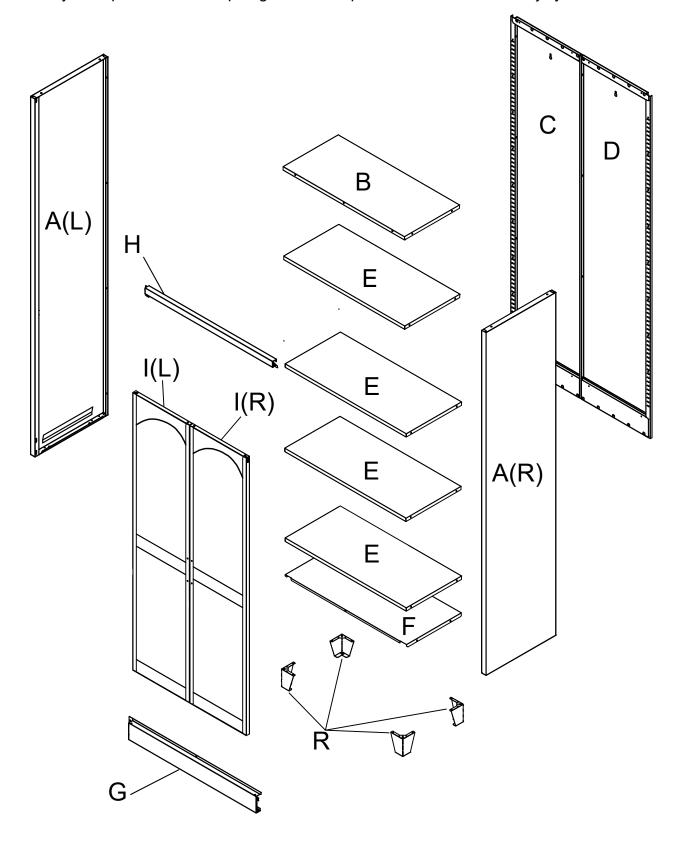

№ WARNING!

If furniture is tipped over, it may cause serious injury or even death. To prevent tip-over of this furniture, be sure to use it with the wall attachment devices provided. Use the appropriate screws and plugs for your wall.

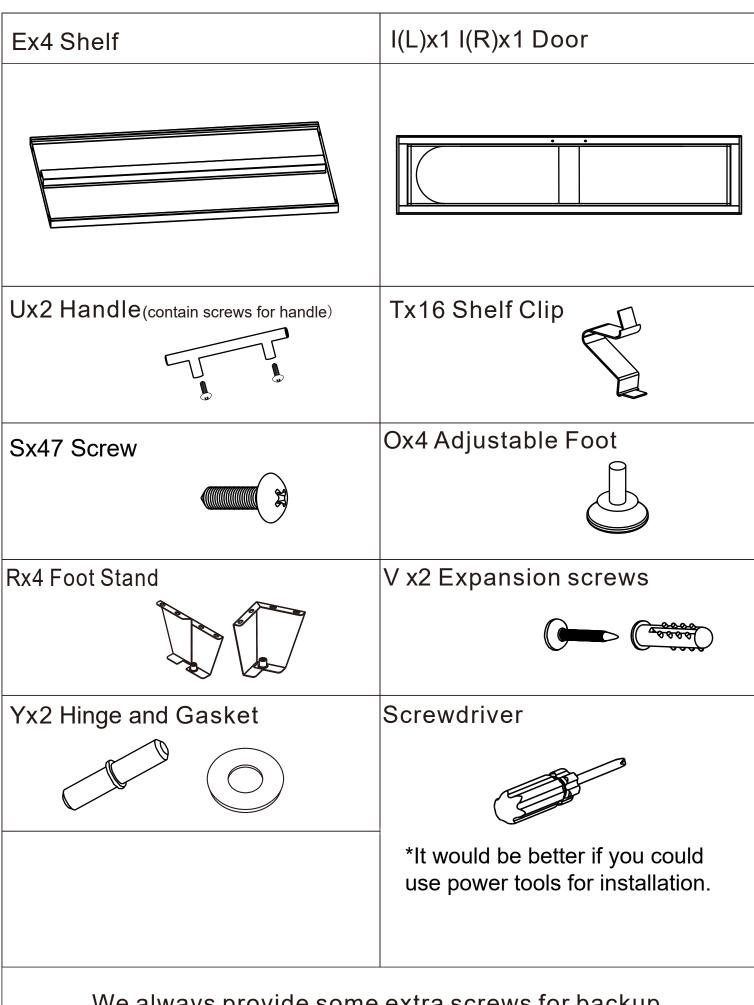

If the supplied wall attachment devices do not match the walls in your home, consult your local professional to use screws and plugs that fit your walls. Please read and follow each step in the instructions carefully.

Please pay attention to the iron corner protectors and cabinet parts inside the package. If the iron corner guard is damaged, you can just discard it; if you find any broken or damaged cabinet parts, please contact customer service

immediately for replacement. Sharp edges of metal parts can cause serious injury.
