Item Number: BKSF001-4

Step 1:

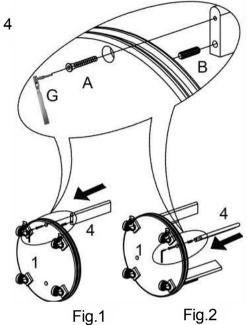

①Assemble as shown in the diagram, align hardware D/E with the holes on the back of part 1, and secure it with hardware F.

Note: If the bookshelf does not need to be moved. you may skip this step. The bookshelf can be assembled without the caster wheels.

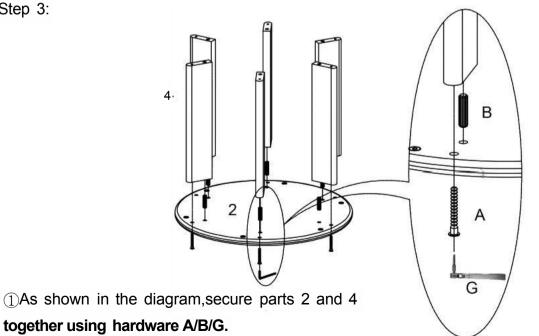

(1) As shown in Figure 1, first align part 4 with the holes on part 1, then secure it using hardware A/B/G through the pre-drilled holes on the reverse side of the baseboard.

②As shown in Figure 2,rotate the base of part 1 and install the remaining part 4 using the same method as in Figure 1.

Step 3:

Note: All parts 2 and 4 should be assembled following this step.

Step 4:

①As shown in the diagram, align the component from Step 2 with the front hole of the component from Step 3,

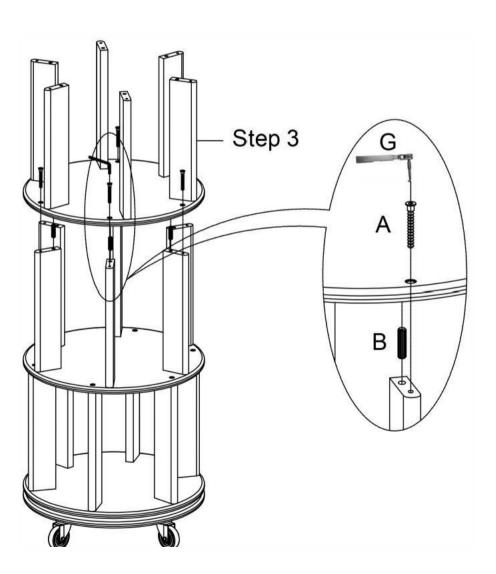

and secure it with hardware A/B/G.
