Place the Table on a carpeted surface.

Attach the Support Leg (D) to the shelf Frame (C) as shown in the picture.

**FULLY TIGHTEN ALL THE BOLTS**

# ASSEMBLY INSTRUCTIONS

## Console Table

Item No: N780P347333D / N780P34733N

### Step 5 x 3

Place the Drawers on a carpeted surface.  
Attach the Handle (7) to the Drawers using Short Screw (8)  
as shown in the picture.

### Step 6

Put the drawer back in the drawer  
as shown in the picture.

# ASSEMBLY INSTRUCTIONS

## Console Table

Item No: N780P347333D / N780P34733N

### Step 7

Part Enclosed/Material Fourni/Partes incluidas Installation Instructions  
The tip restraint must be attached to a wall stud using the 2" screw enclosed

### Step 8

Adjustable floor leveler

## ”Questions & Answers about Proposition 65

- What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 also prohibits California businesses from knowingly discharging significant amounts of listed chemicals into sources of drinking water.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

- What types of chemicals are on the Proposition 65 list?

The list contains a wide range of naturally occurring and synthetic chemicals that include additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. Listed chemicals may also be used in manufacturing and construction, or they may be byproducts of chemical processes, such as motor vehicle exhaust. ”
