| (E) |  |        | 04 |
| (U) |  | 4*16mm | 16 |

# STEP 5:

Étape

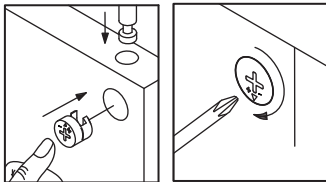

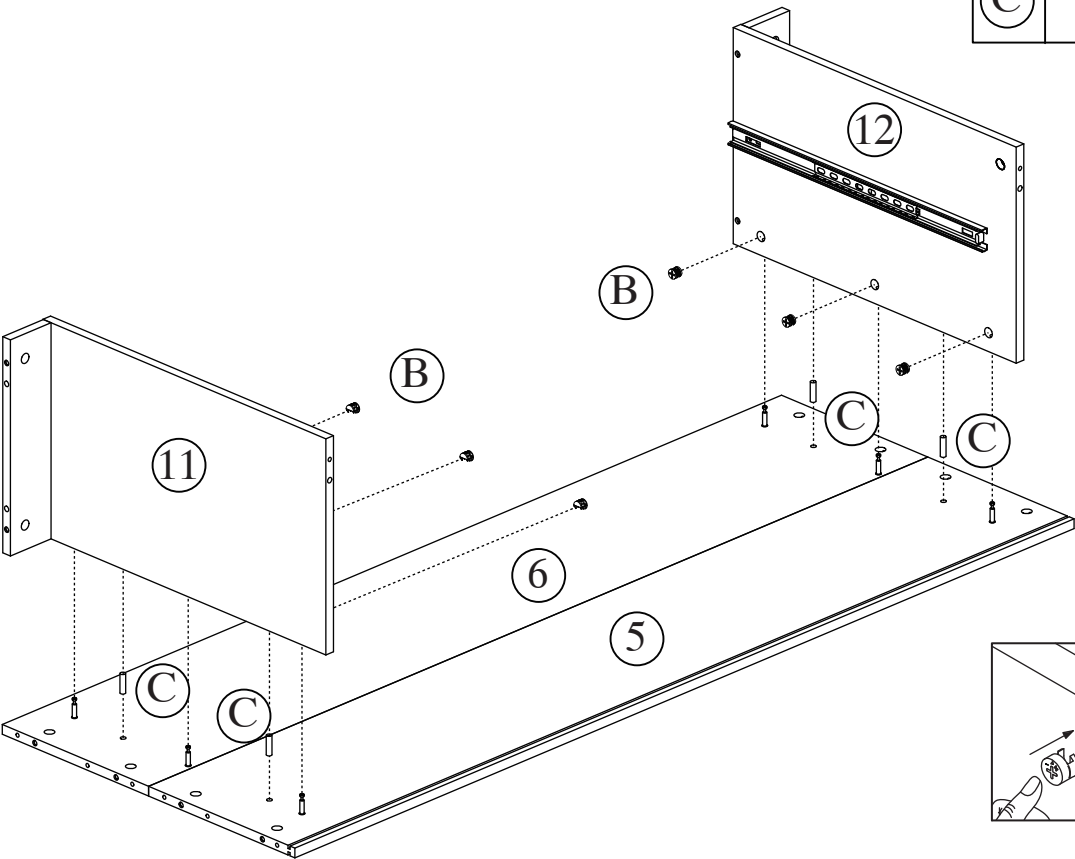

|     |                                                                                    |    |
|-----|------------------------------------------------------------------------------------|----|
| (A) |  | 08 |
|-----|------------------------------------------------------------------------------------|----|

# STEP 6:

Étape

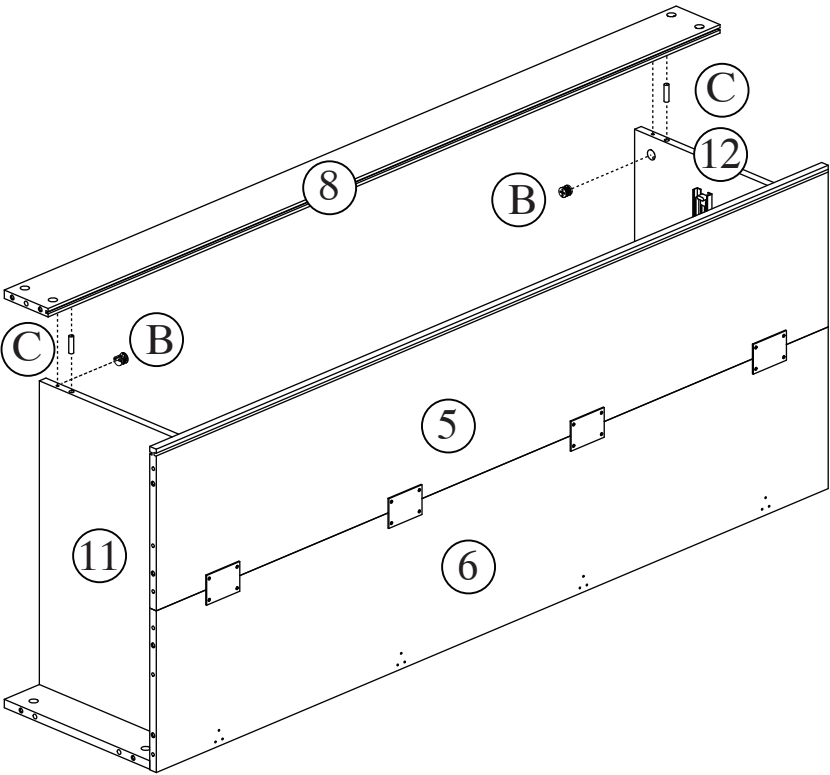

|     |                                                                                              |    |
|-----|----------------------------------------------------------------------------------------------|----|
| (B) |         | 06 |
| (C) |  6*30mm | 04 |

**STEP 7:**

Étape

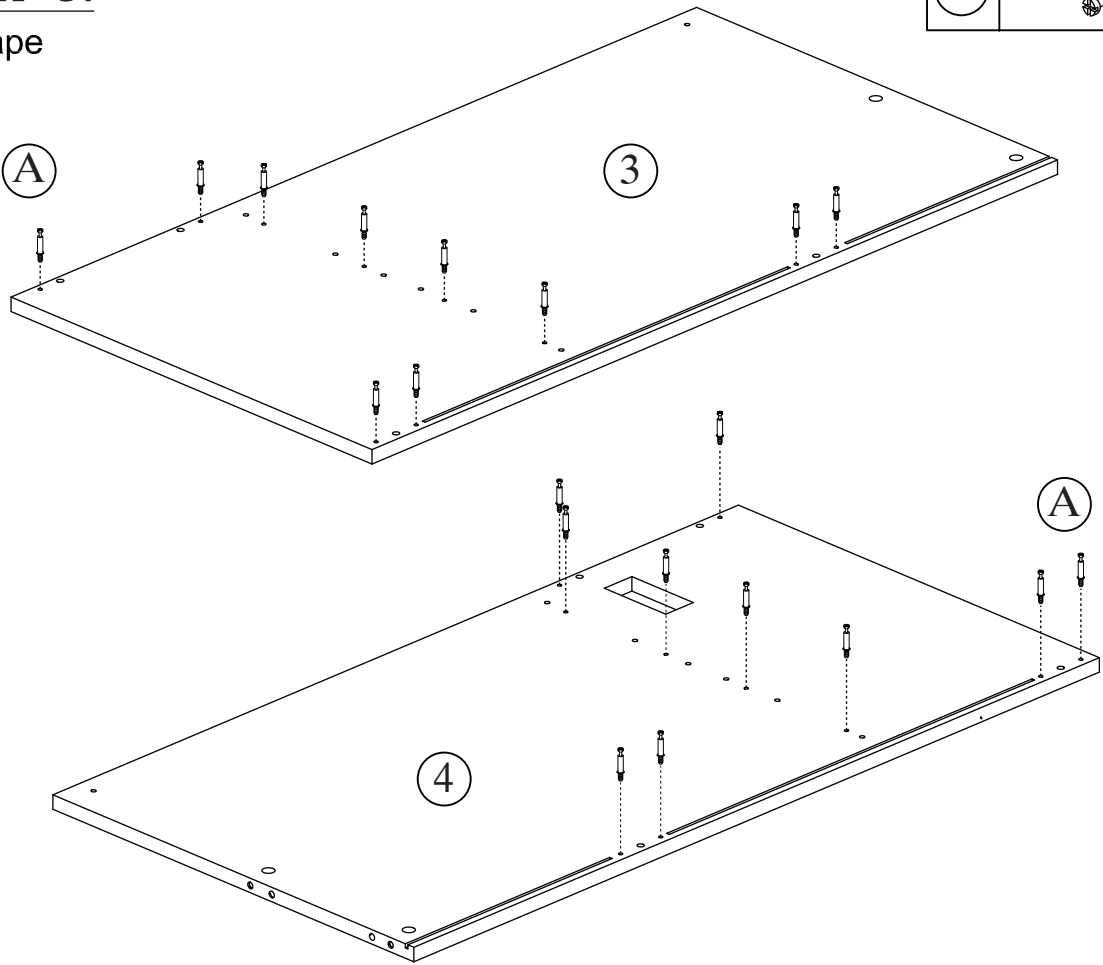

|     |                                                                                           |    |
|-----|-------------------------------------------------------------------------------------------|----|
| (C) |  6*30mm | 02 |
| (B) |        | 02 |

**STEP 8:**

Étape

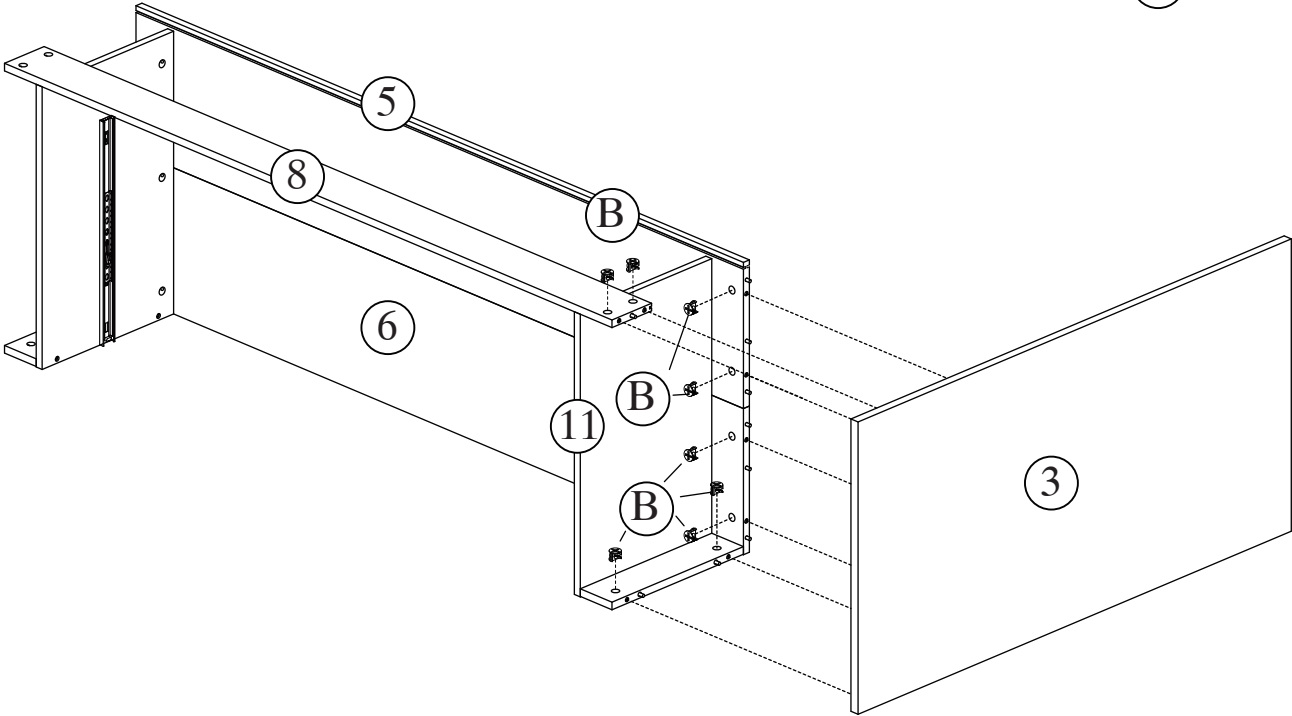

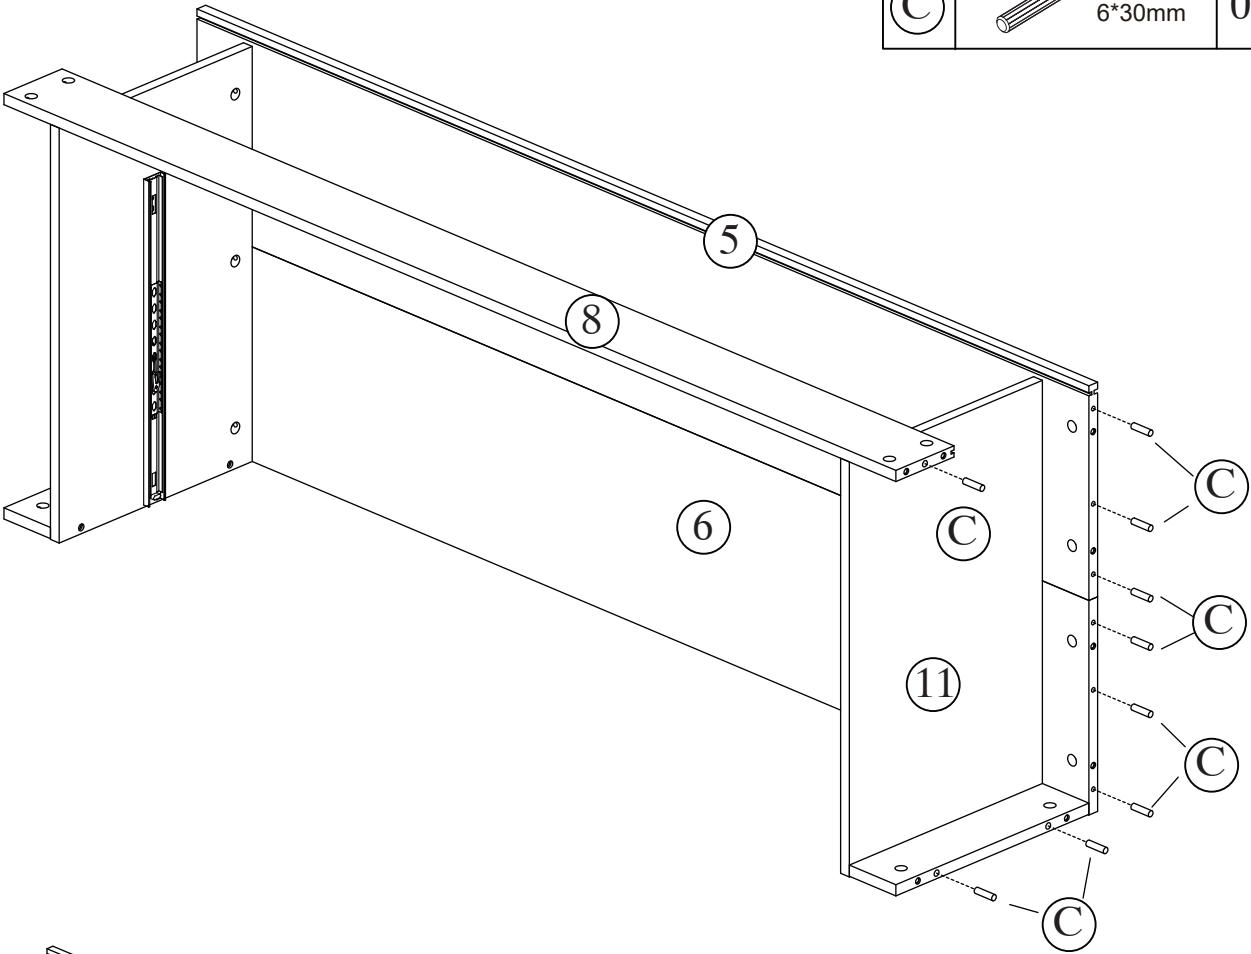

|     |                                                                                       |    |
|-----|---------------------------------------------------------------------------------------|----|
| (A) |  | 20 |
|-----|---------------------------------------------------------------------------------------|----|

# STEP 9:

Étape

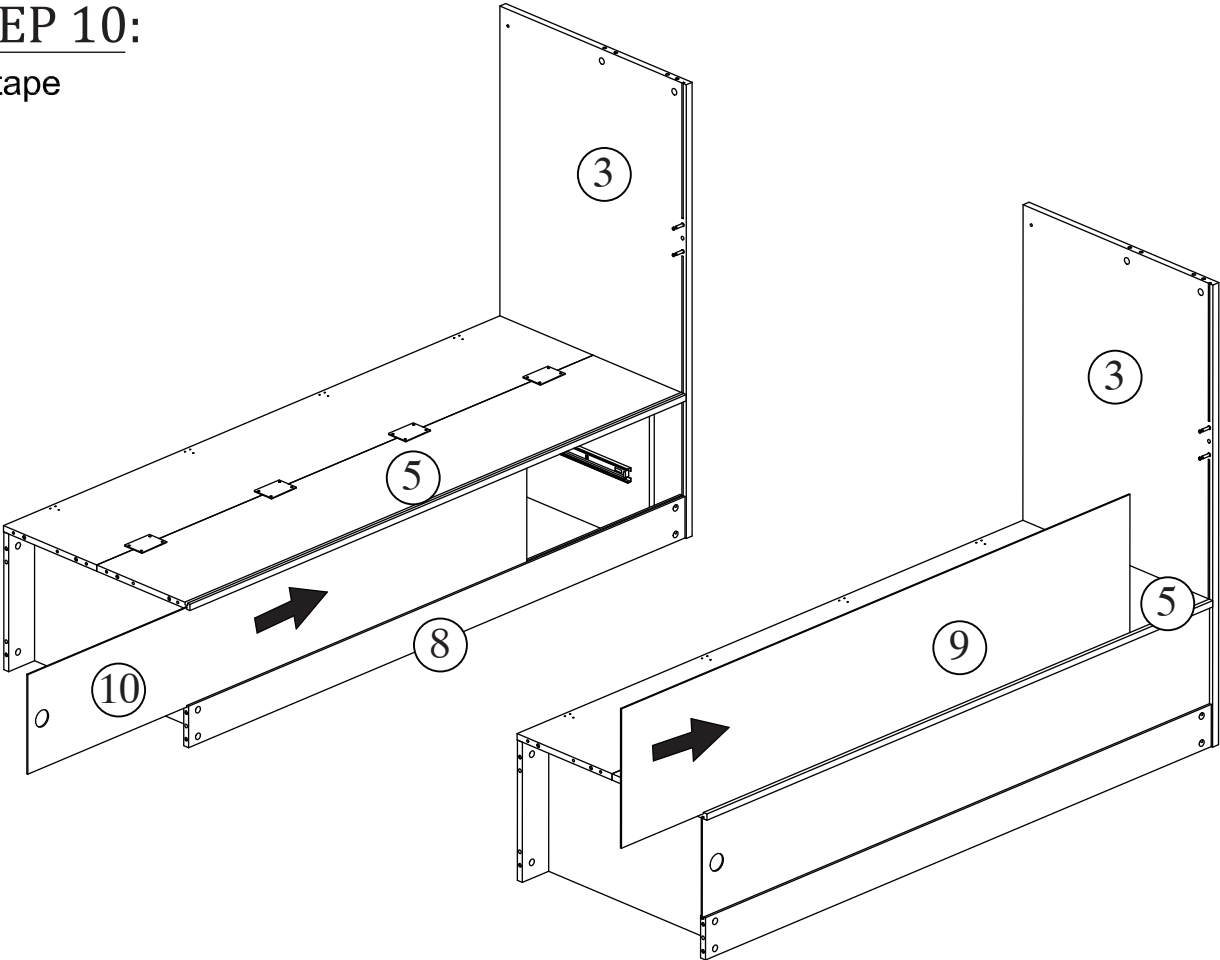

|     |                                                                                            |    |
|-----|--------------------------------------------------------------------------------------------|----|
| (B) |         | 08 |
| (C) |  6*30mm | 09 |

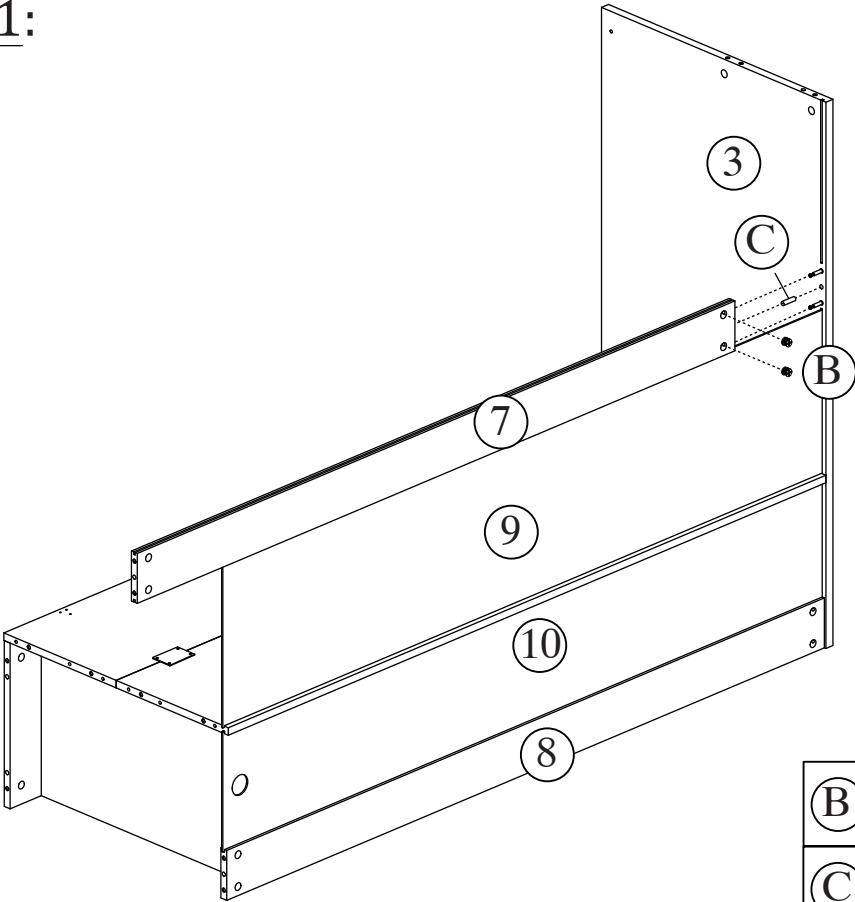

**STEP 10:**

Étape

**STEP 11:**

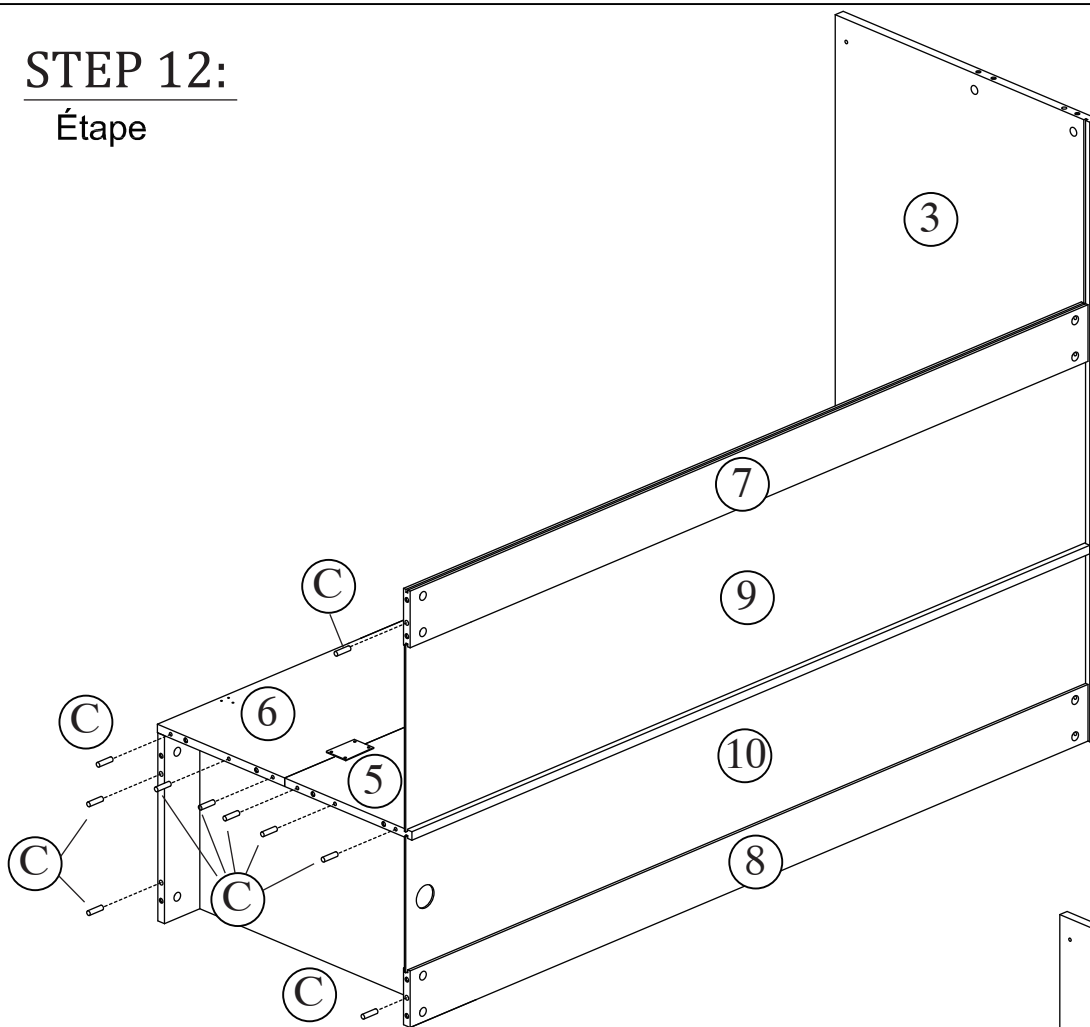

Étape

|     |                                                                                              |    |
|-----|----------------------------------------------------------------------------------------------|----|
| (B) |         | 02 |
| (C) |  6*30mm | 01 |

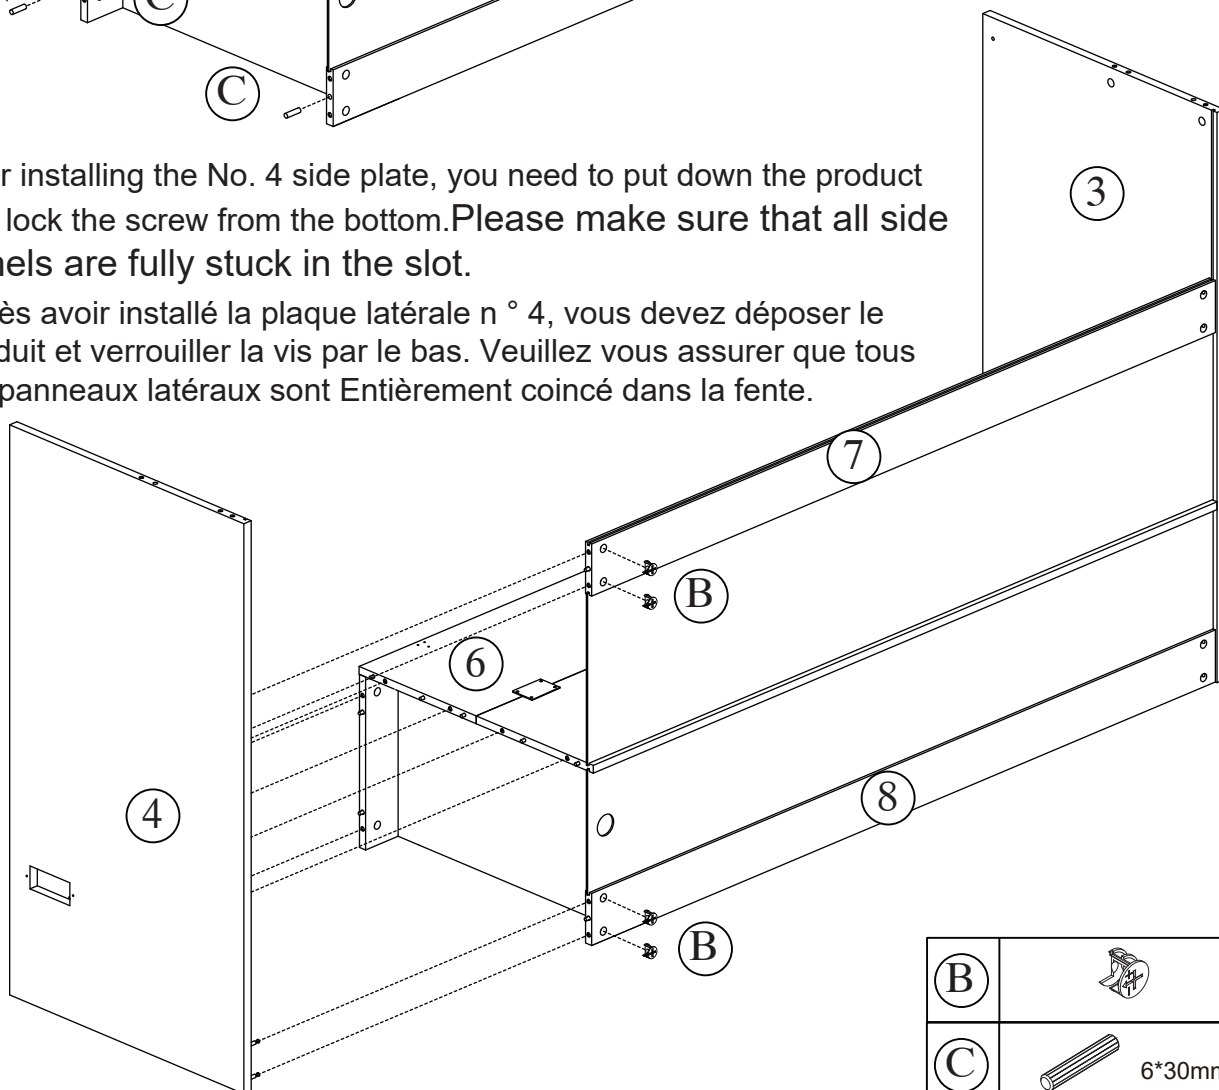

## STEP 12:

Étape

After installing the No. 4 side plate, you need to put down the product and lock the screw from the bottom. Please make sure that all side panels are fully stuck in the slot.

Après avoir installé la plaque latérale n° 4, vous devez déposer le produit et verrouiller la vis par le bas. Veuillez vous assurer que tous les panneaux latéraux sont entièrement coincé dans la fente.

|     |                                                                                              |    |
|-----|----------------------------------------------------------------------------------------------|----|
| (B) |         | 04 |
| (C) |  6*30mm | 10 |

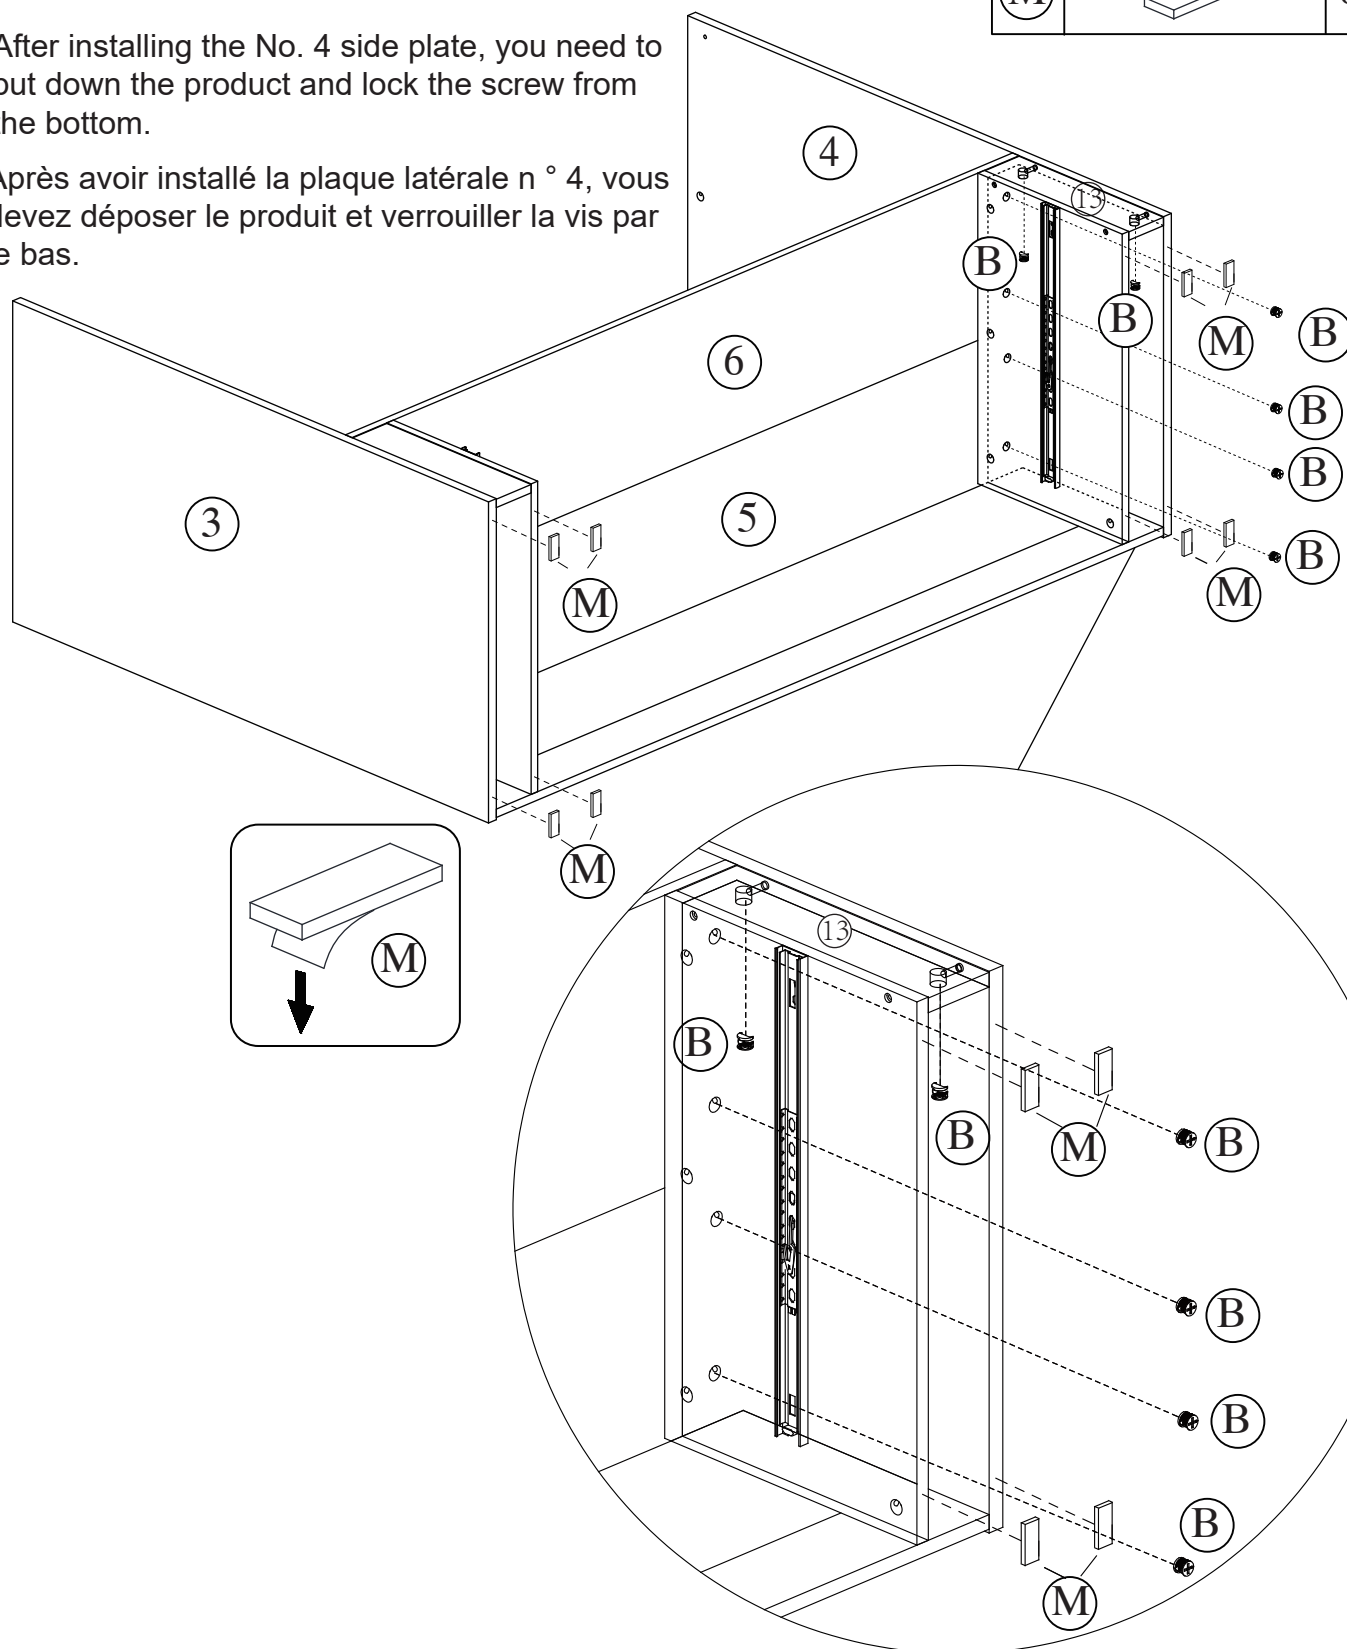

## STEP 13:

### Étape

After installing the No. 4 side plate, you need to put down the product and lock the screw from the bottom.

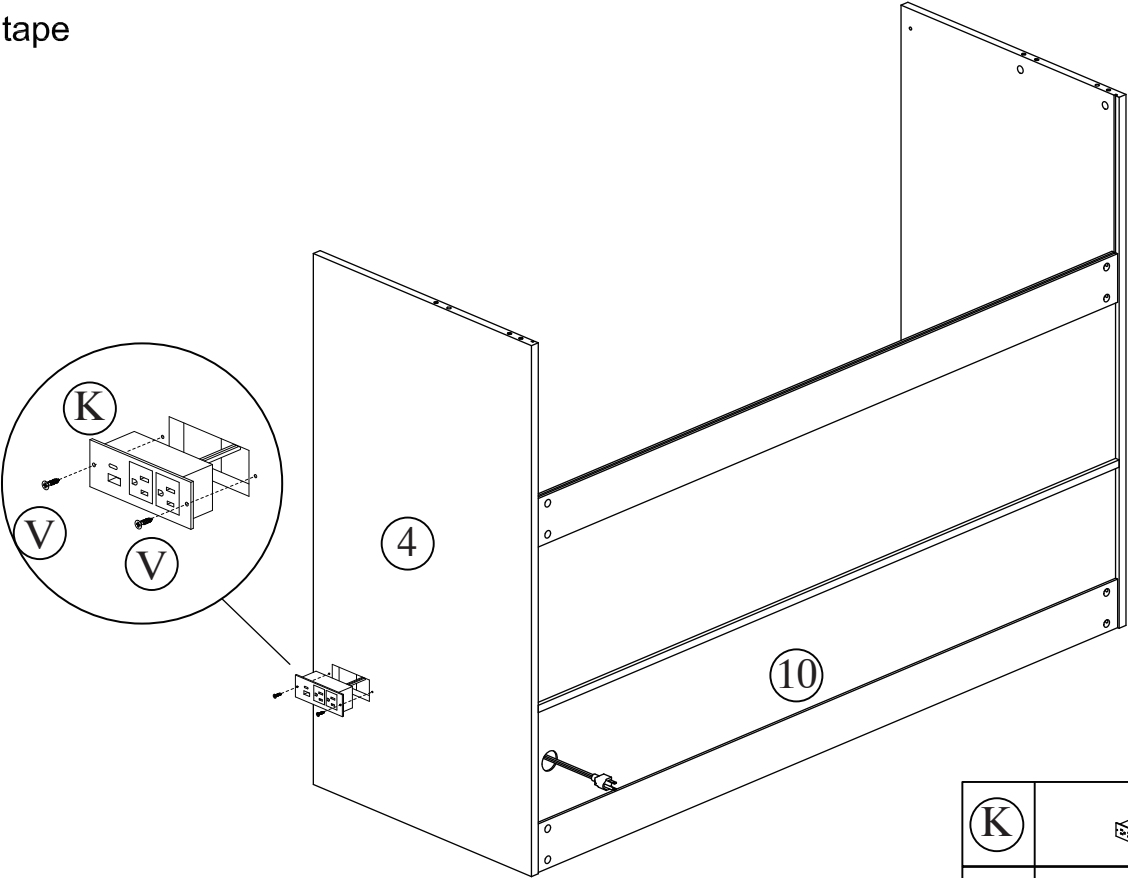

Après avoir installé la plaque latérale n ° 4, vous devez déposer le produit et verrouiller la vis par le bas.

|     |                                                                                     |    |

## STEP 38:

### Étape

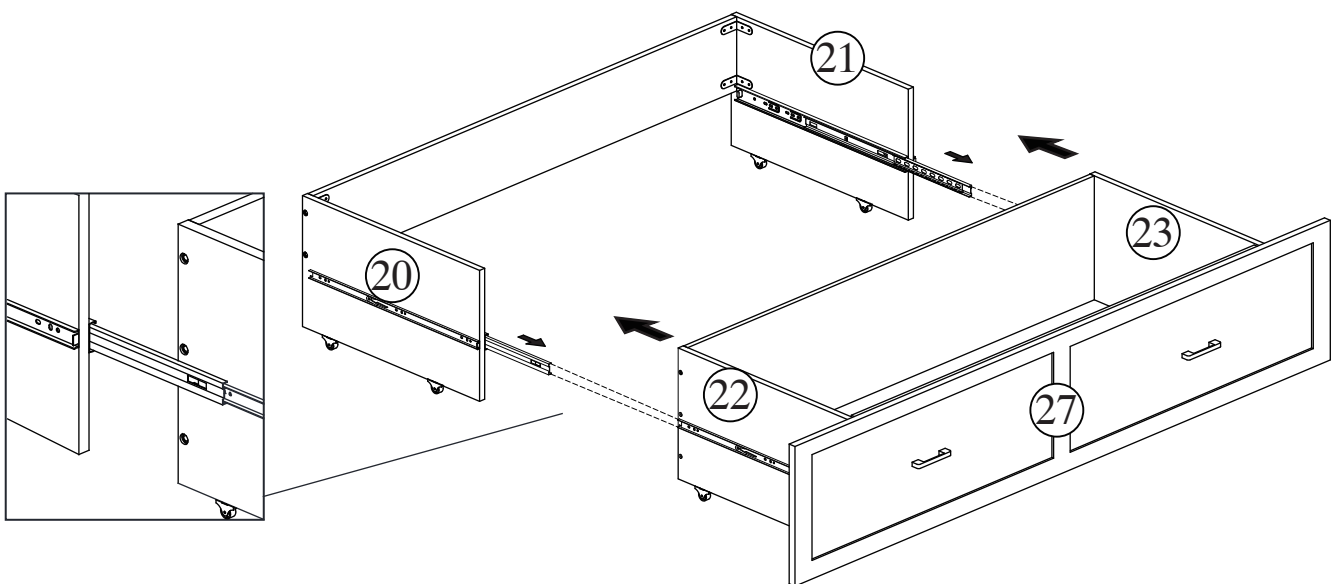

Please make sure that the balls in the tracks on both sides are pulled to the top, and then insert the tracks to ensure smooth entry.

Veuillez vous assurer que les billes dans les rails des deux côtés sont tirées vers le haut, puis insérez les rails pour garantir une entrée sans heurt..

1. Drawers must be horizontally put into the cabinets.
2. Make sure both sides sliders match well to avoid damage.

1. Les tiroirs doivent être horizontalement mis dans les armoires.
2. Assurez-vous que les curseurs des deux côtés s'assortissent bien pour éviter les dommages.

Try to find a partner to install with you.
