TOOL LIST

Please be aware:

This chair does not come with extra accessories fittings (such as bolts, washers etc.)

step 1

Take out the roll of compressed product from the box. Cut open the compression bag along the paper strip on the roll bag. Remove the sofa and let them rest to recover their shape. Full recovery may take up to **72** hours, but you can gently slap the sofa to speed up the process.

Please exercise caution when opening the packaging to avoid injury or damage to the product.

step 2

Place the back cushion (A) on it.

NOTICE

The product requires at least **72 HOURS** to return to its original shape after being removed from the air compression bag.

The restore period is **IMPORTANT** for the product please try not to use it while restoring.

step 3

Each carton includes a piece of felt fabric. Attach it to the Velcro strips at the bottom of the sofa to connect the individual modules together. If you are using a single sofa module and do not need to combine multiple pieces, this felt fabric is not required.
