# The goods

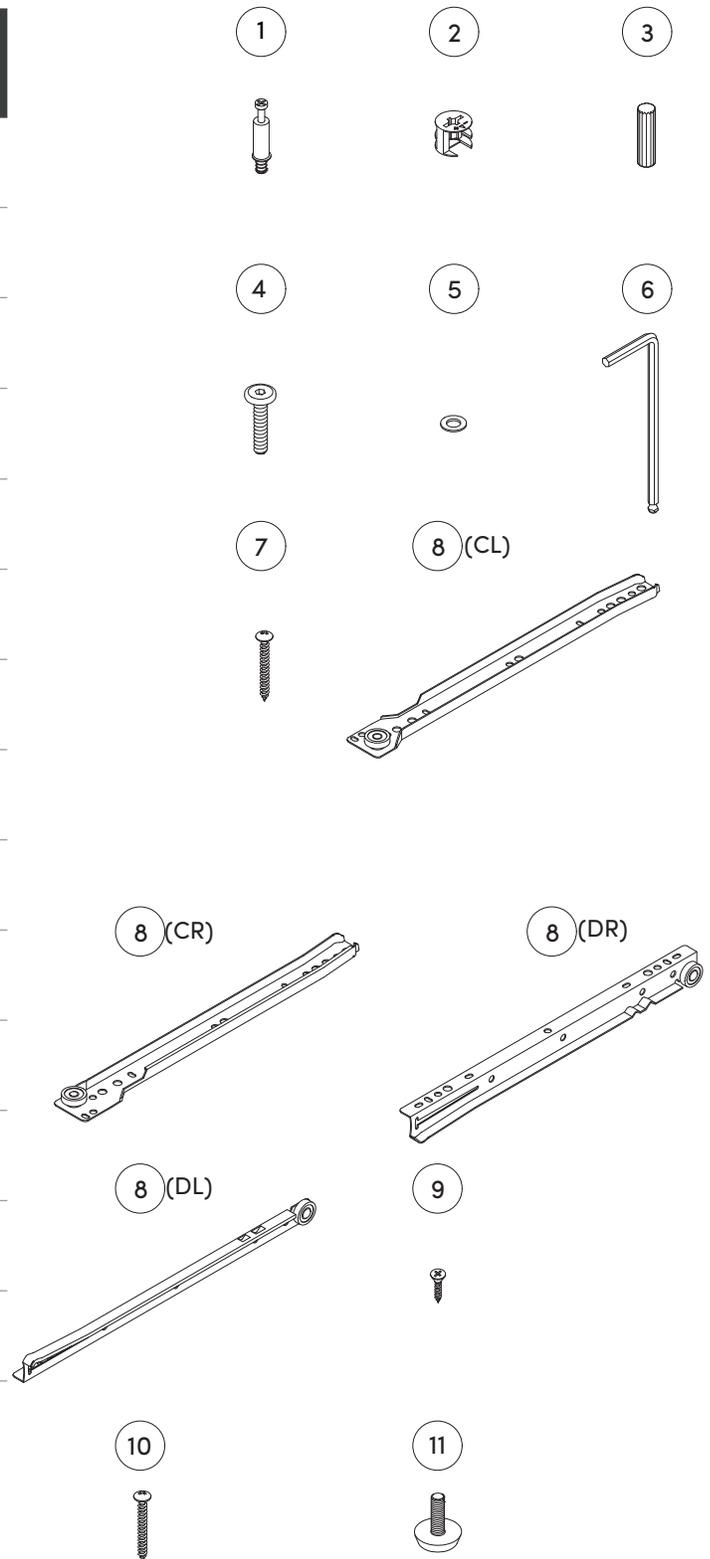

## IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over tighten screws and bolts to avoid stripping.
3. Please use hand tools to assemble this product. Do not use power tools.

# What's included

	Description	Qty
1	Cam Bolt (Extra 1pc)	19
2	Cam Lock (Extra 1pc)	19
3	Ø8 x 30mm Wooden Dowel (Extra 2pcs)	22
4	Ø1/4" x 32mm Hex Button Head Bolt	8
5	Ø1/4" x 15mm Flat Washer	8
6	Allen Key	1
7	M4 x 35mm Screw	4
8	Left Side Panel Slide (CL)	2
8	Right Side Panel Slide (CR)	2
8	Right Side Drawer Slide (DR)	2
8	Left Side Drawer Slide (DL)	2
9	M3 x 12mm Screw (Extra 2pcs)	26
10	M4 x 30mm Screw	8
11	Leveler (Extra)	2

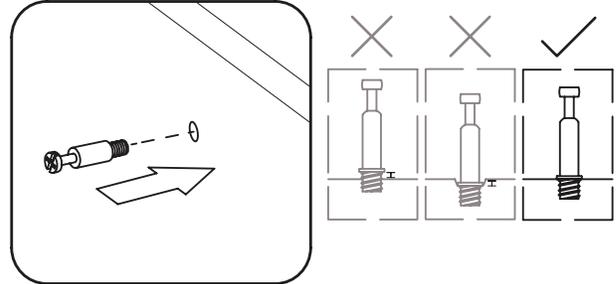

# How to use cam locks

## Did you know?

Cam locks are used to join two panels together, usually the edge of one to the flat side of another.

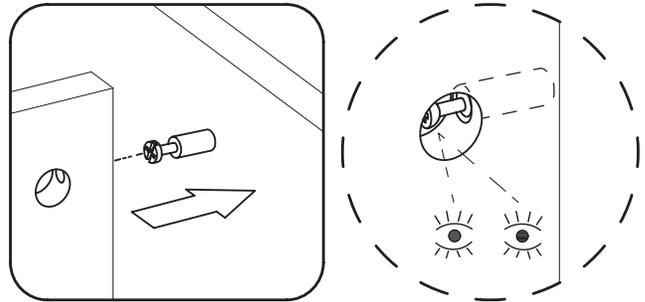

First, your cam bolt (or cam pin) will need to be properly inserted into the flat side of the board.

**Important Note:** Only tighten the cam bolt until it is secure. Do not over-tighten.

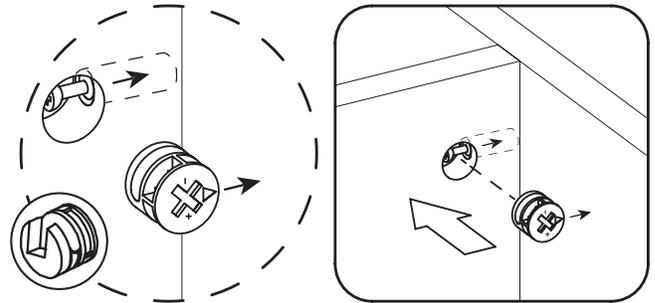

Next, you will fit the proper hole on the edge of the associated joining panel over the cam bolt.

**Important Note:** When installed properly, the head of the cam bolt will be visible through the larger hole on the side of the joining panel.

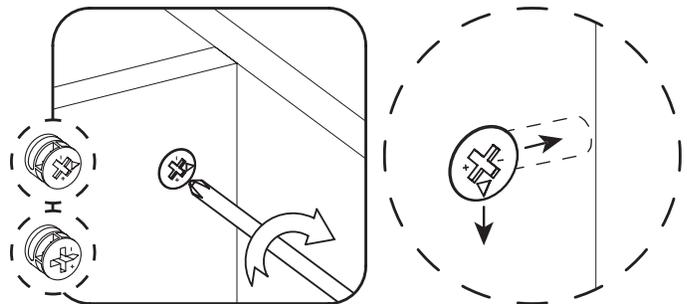

Next, you will notice the cam lock has a “C” shaped back. Commonly, an arrow on the front of the cam lock points in the same direction as the open section on back.

Using these as your cue, insert the cam lock into the large hole so the opening of the “C” fits over the head of the cam bolt.

Using a screwdriver, you will turn the cam lock until it stops, usually at 90° or 180°. You will feel the panels pulling closer until they are secured.

**Important Note:** Only turn the cam lock until the panels are fully engaged & feel secure. Turning too far may lead to hardware failure.

## Still having issues?

**If a cam lock seems to be spinning in place or is not “catching” or pulling the panels together as expected,** first remove the cam lock & try again while making sure that everything is properly positioned & oriented.

**If you are still having issues getting things working as expected,** first remove the cam lock, then unscrew the cam bolt slightly (less than 1 complete turn) to see if that helps with the alignment of the cam lock & bolt.

# Step 1

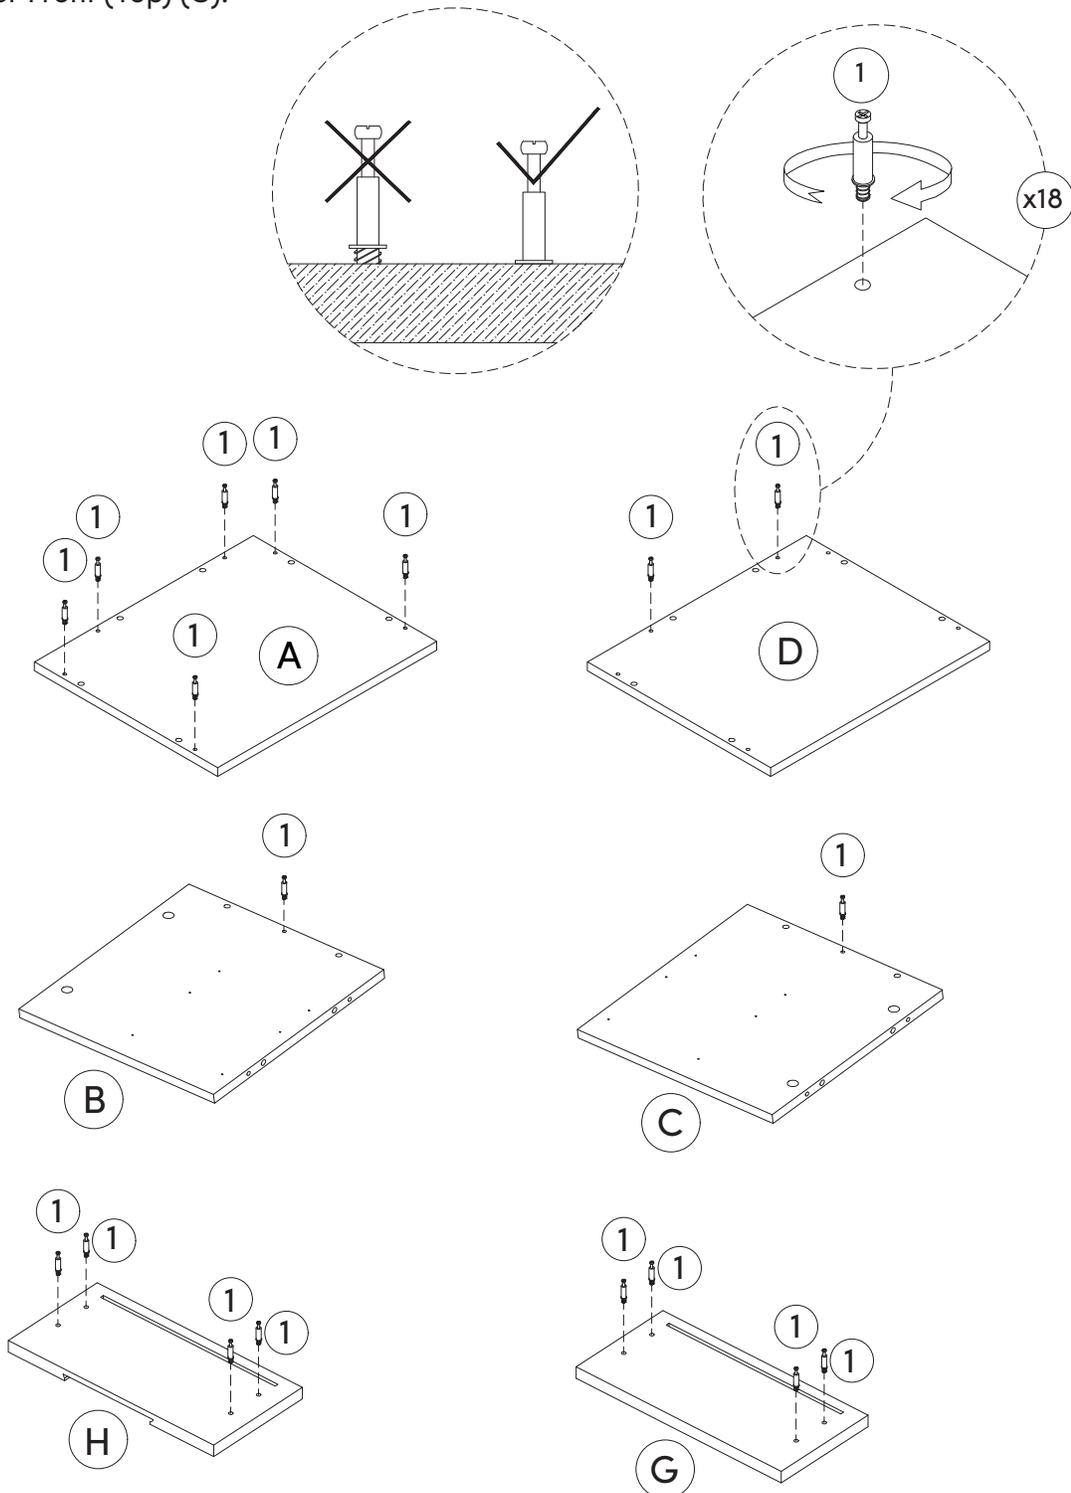

Lay down the packaging or use your carpet as a protective work surface and let's get started!

Screw the Cam Bolts (1) into the Top Panel (A), the Bottom Panel (D), the Side Panel (Right) (C), the Side Panel (Left) (B), Drawer Front (Bottom) (H) and Drawer Front (Top) (G).

1

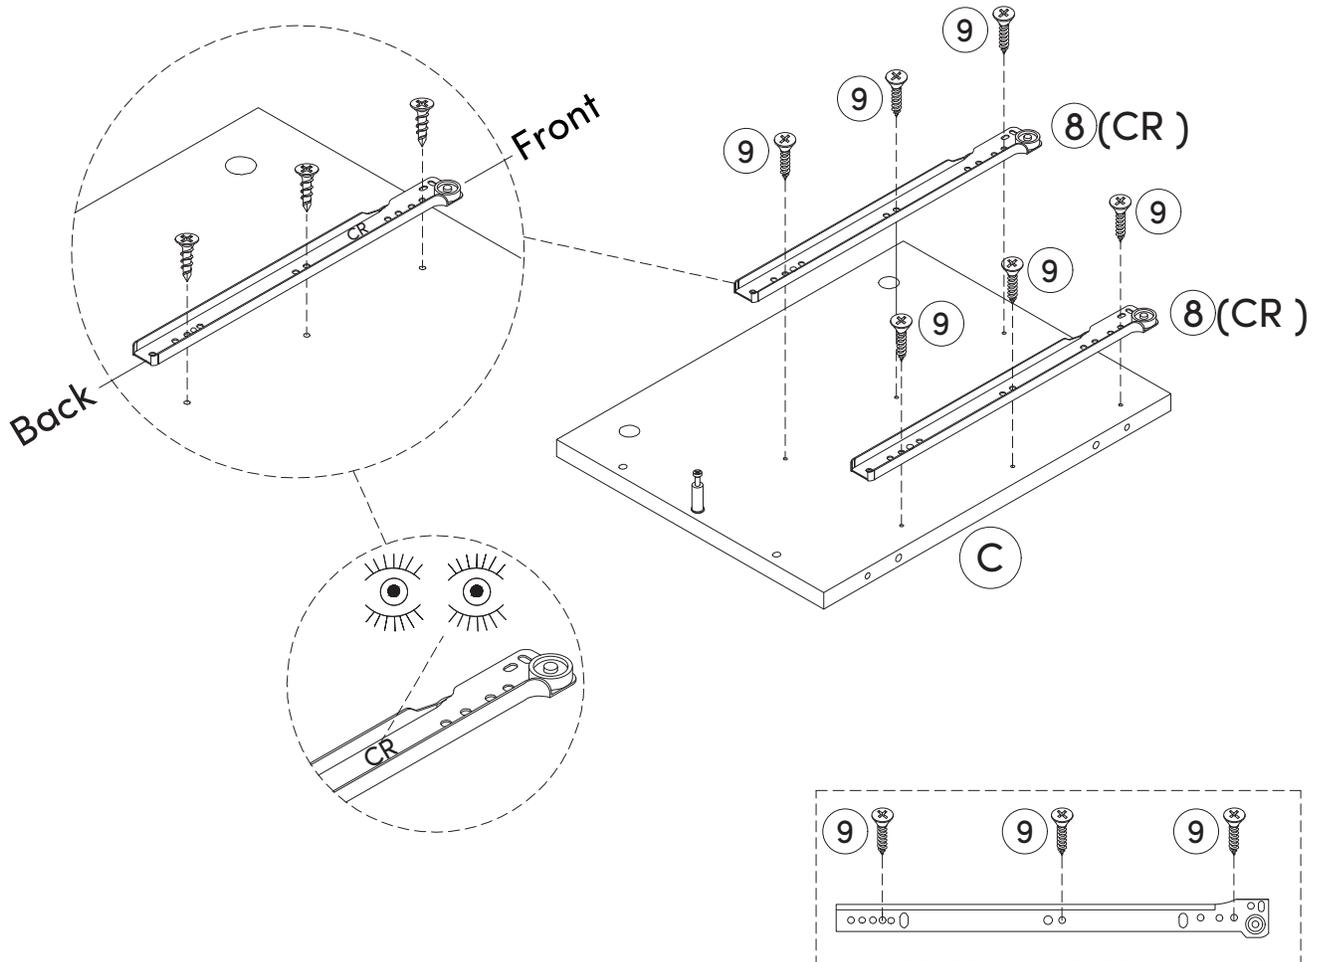

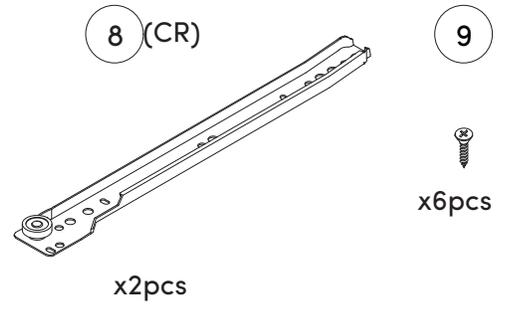

x18pcs

# Step 3

Place the Right Side Panel Slide (8CR) onto the Side Panel (Right) (C). Then, use the Screws (9) to secure it in place.

# Step 4

First, insert the Wooden Dowels (3) into the end of the Back Panel (E). Then place the Side Panel (Left) (B) and the Side Panel (Right) (C) over the Wooden Dowels (3).

Make sure to line things up as shown below.

Finally, use the Cam Lock (2) to secure the Side Panel (Left) (B) and the Side Panel (Right) (C) with the Back Panel (E) together.

2

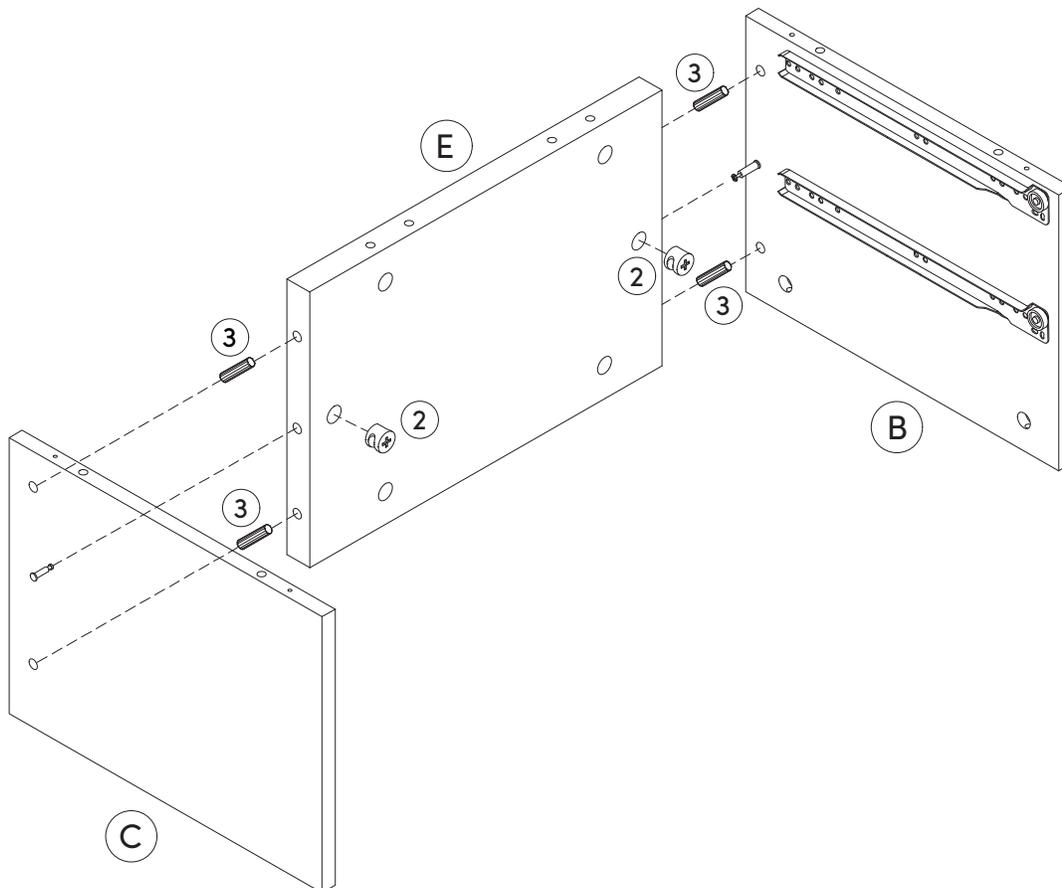

x2pcs

3

x4pcs

# Step 5

Continue by inserting six Wooden Dowels (3) into the Top Panel (A). Then, place the assembly completed in Step 4 onto the Wooden Dowels (3).

Finally, use six Cam Locks (2) to secure the Top Panel (A).

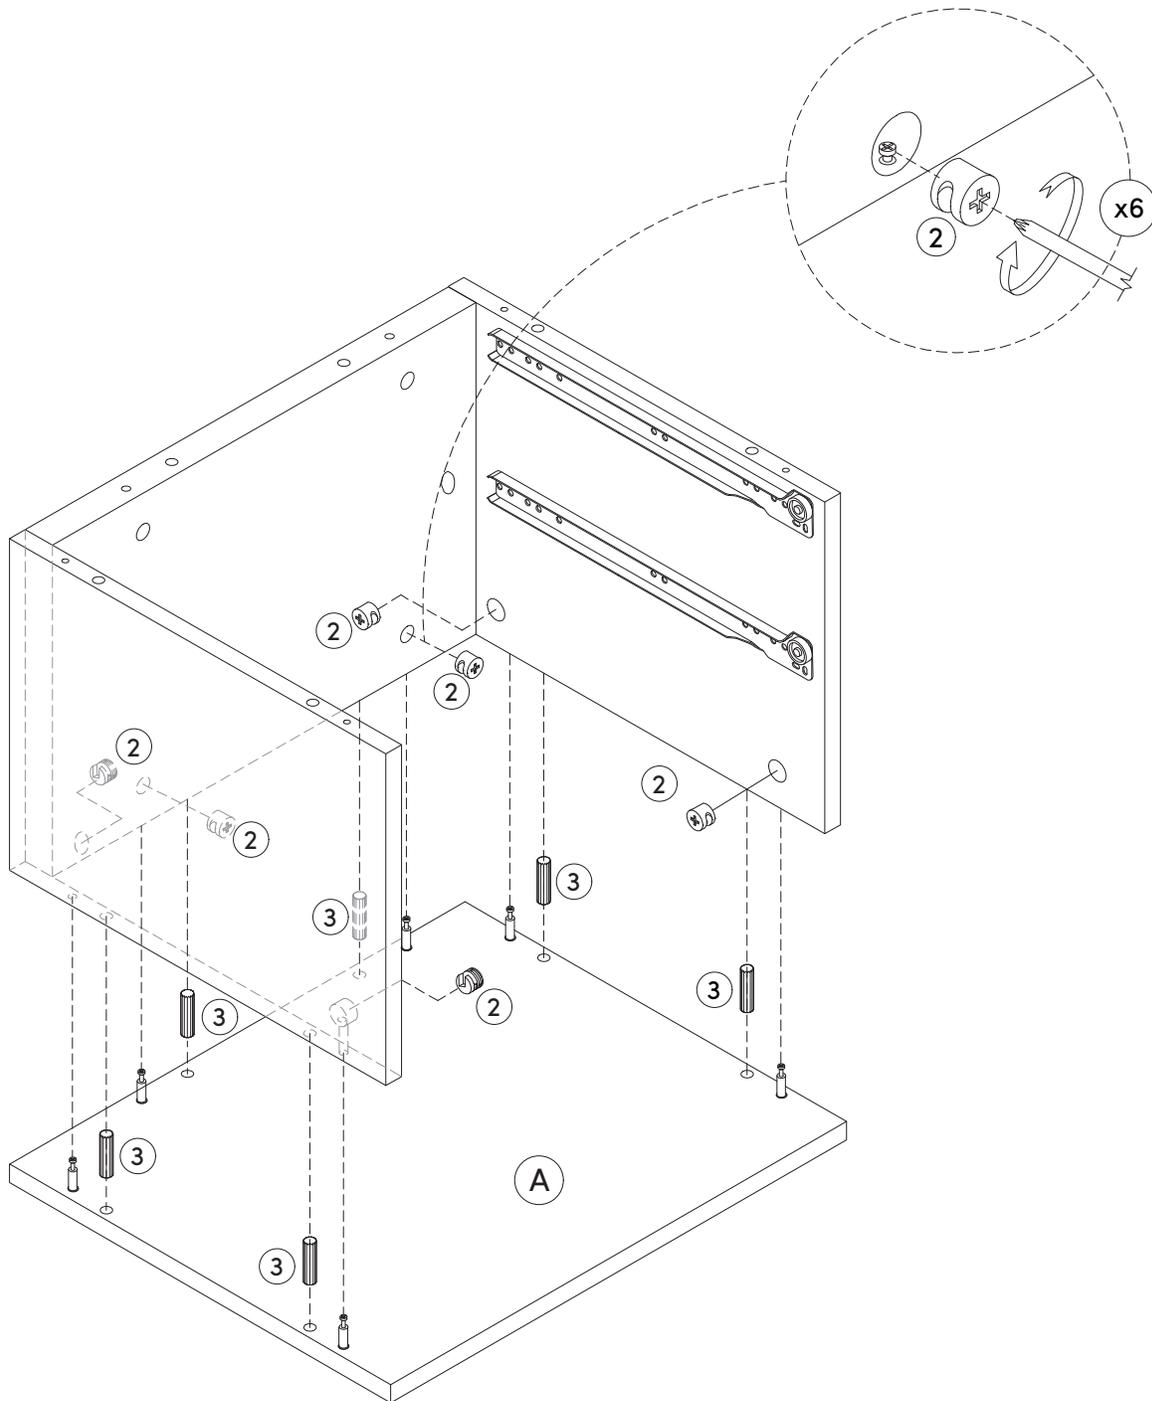

2

3

x6pcs

x6pcs

# Step 6

Insert another six Wooden Dowels (3) into the assembly completed in Step 5. Then, place the Bottom Panel (D) onto the Wooden Dowels (3), Make sure to line things up as shown below. Finally, use two Cam Locks (2) & four M4x35mm Screws (7) to secure the Bottom Panel (D).

2

x2pcs

3

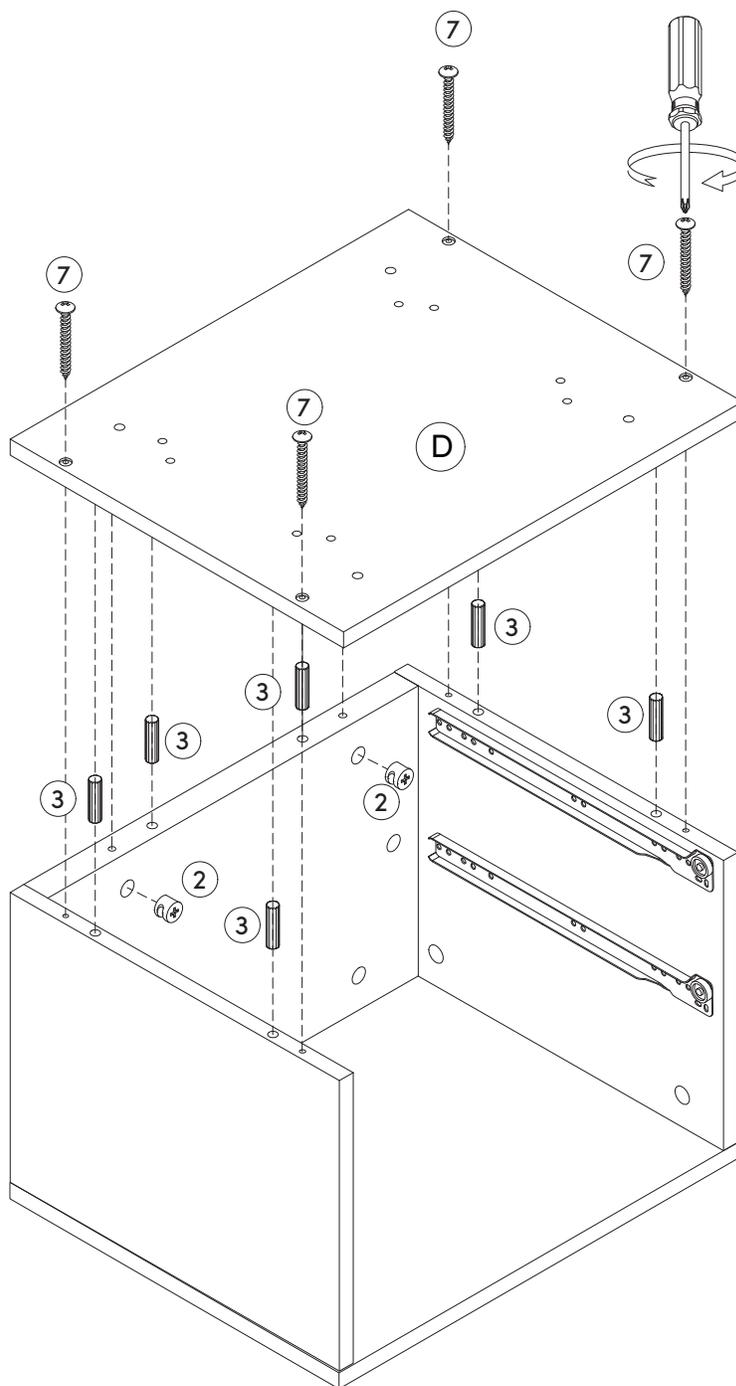

x6pcs

7

x4pcs

# Step 7

Insert the Wooden Dowels (3) into the Bottom Panel. Then, place the Legs (F) over top of the Wooden Dowels (3).

Next, slide the Flat Washers (5) onto the Bolts (4). Use these parts and the Allen Key (6) to secure the Legs (F) in place. Make sure to line things up as shown below.

3

x4pcs

4

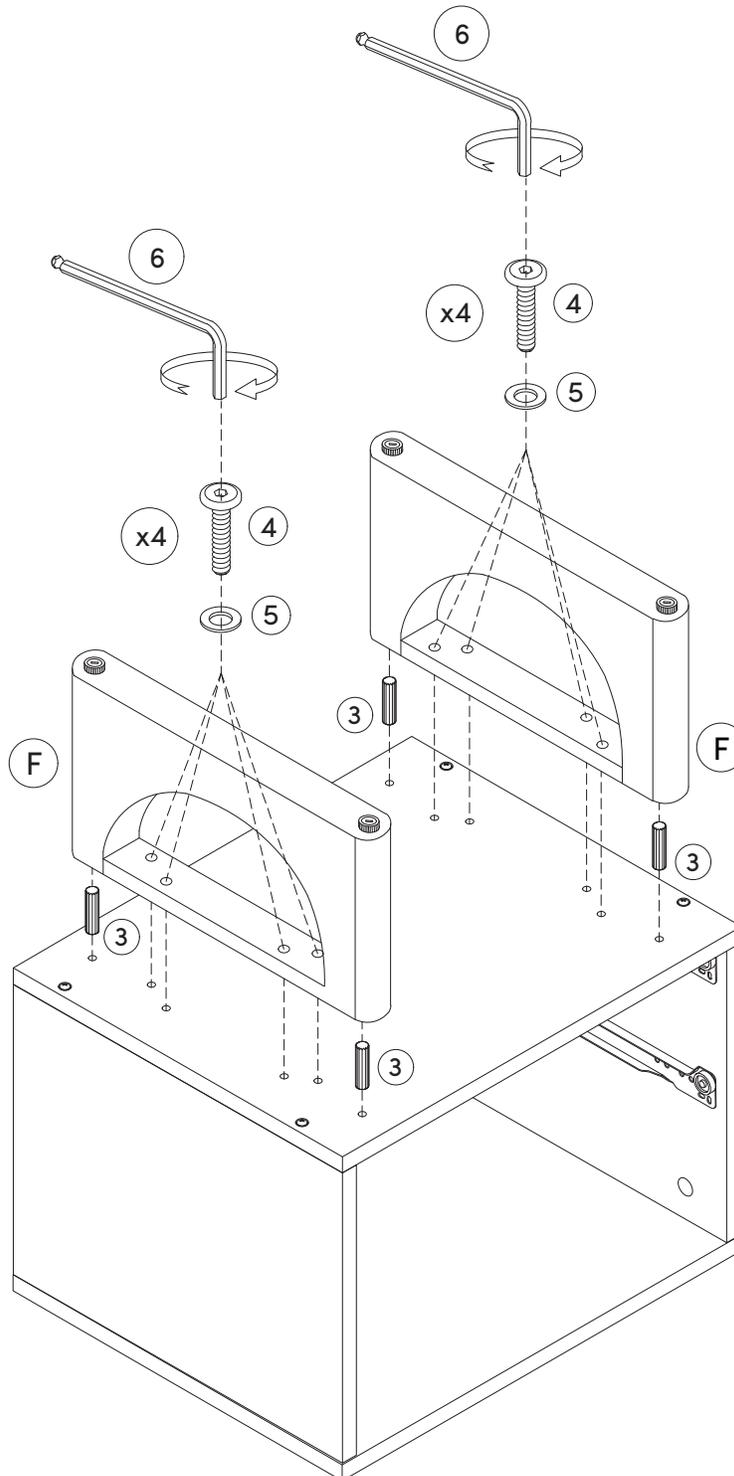

x8pcs

5

x8pcs

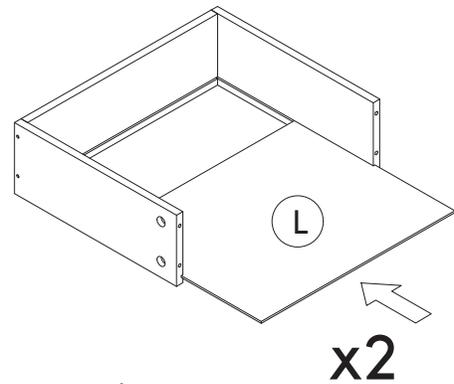

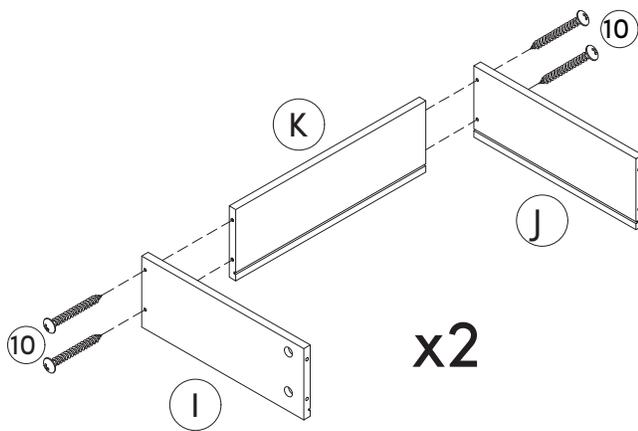

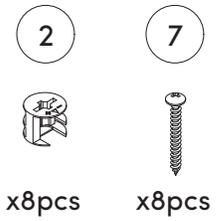

# Step 8

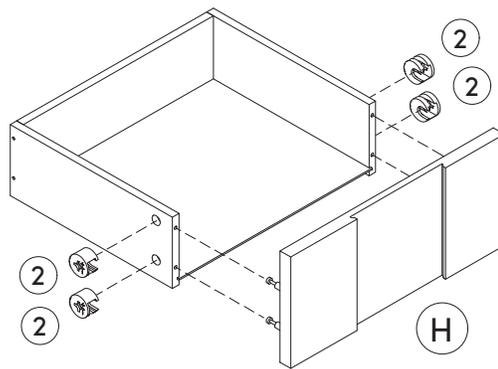

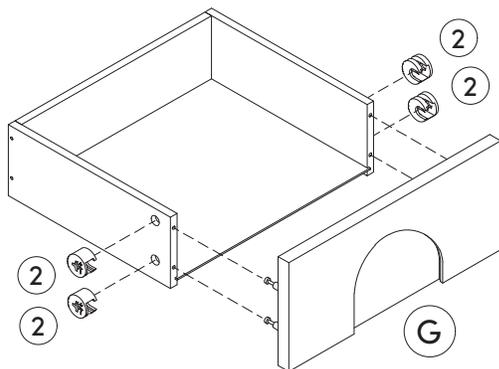

Secure the Drawer Side Panel (Left) (I) and Drawer Side Panel (Right)(J) to the Drawer Back (K) using two M4x30mm Screws (10) on each side. Repeat this process for both drawers.

Next, slide the Drawer Bottom (L) into place. It should fit smoothly into the grooves. Then, attach the Drawer Front (Top) (G) and Drawer Front (Bottom) (H) to the drawer assemblies.

Finally, use the Cam Locks (2) to secure all parts together. Make sure to line things up as shown below.

 Repeat this process twice for each of the drawers.

# Step 9

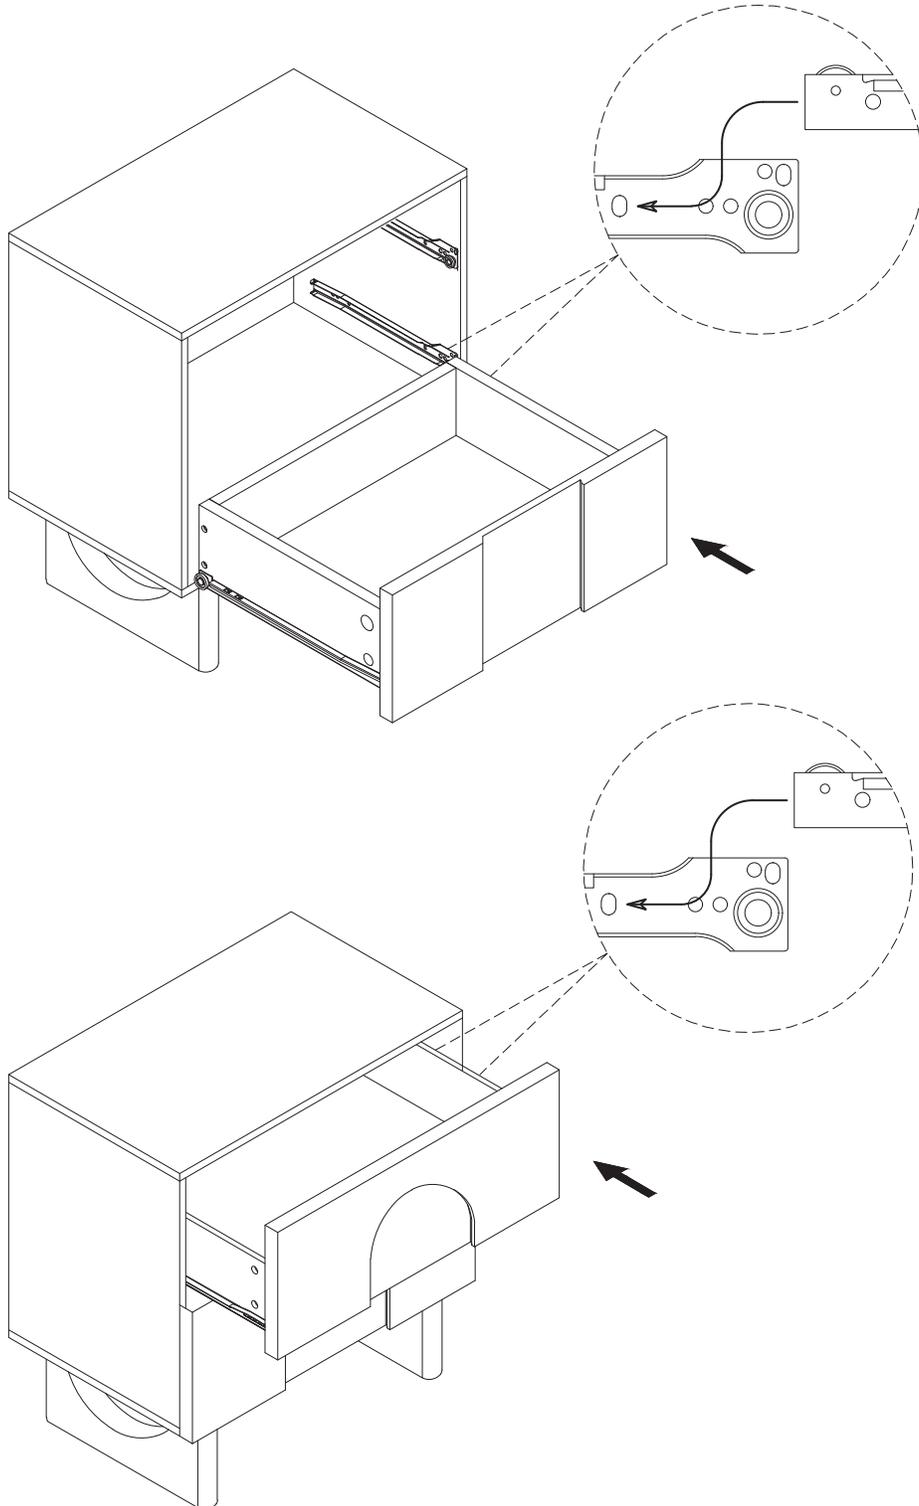

Time to work on securing the drawer slides. Place the Left Side Drawer Slide (8) (DL) on the Drawer Side Panel (Left) (I) and the Right Side Drawer Slide (8) (DR) on the Drawer Side Panel (Right) (J). Make sure to line things up as shown below. Finally, use the M3 x 12mm Screws (9) to secure everything in place.

 Repeat this process twice for each of the drawers.

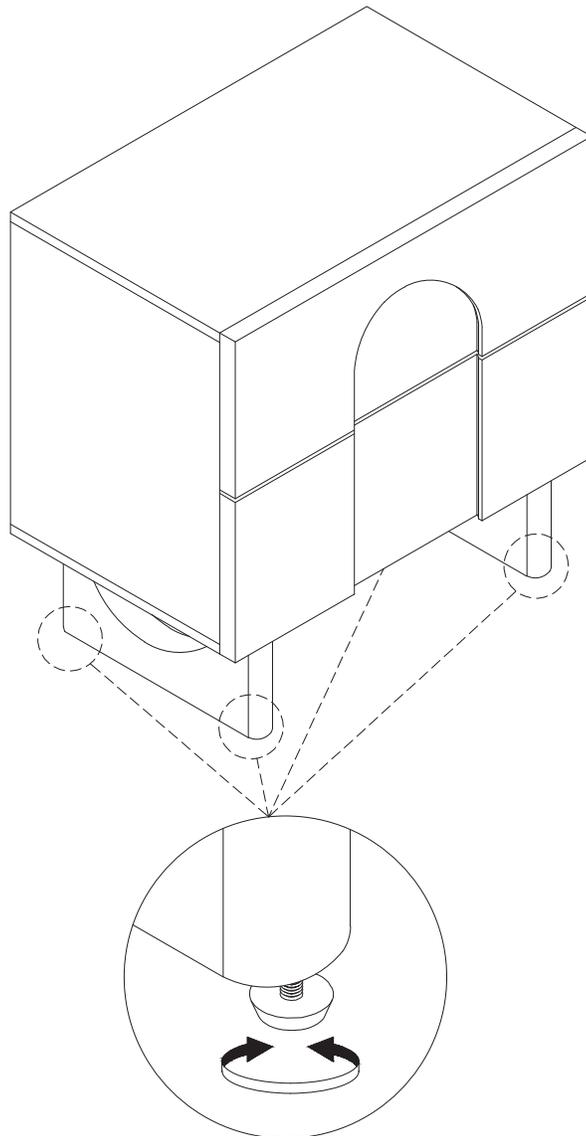

# Step 10

Insert the drawers into the nightstand.

# Step 11

Now go ahead and check that your Jett Nightstand is level and not wobbly. If it's looking a little uneven, adjust the levelers on the feet until it's nice and level.

**Wobbly or unlevel**  
Adjust the feet until stable

# No heartburn, when we handle the return

Give us a call **1-866-619-1004** or shoot us a message at **help@nathanjames.com** we will issue you a free replacement with **zero hassle**.

You

We really don't want you to go through the hassle of re-packaging your item and sending it back, because let's be honest...nobody has time for that.

# Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety check the tightness of all screws every 2 months.

For proper care and treatment, please check our website at [NathanJames.com/products](http://NathanJames.com/products)

## Safe use of this product starts with you.

Use this product responsibly with the primary concern for your safety. Follow assembly instructions carefully and inspect product upon receipt and each use.

Nathan James and its parent companies cannot be held legally responsible for any injuries or death resulting from failure to follow instructions or improper use of this product.

## Do not modify the structure of this product in any way.

Our products have been tested to meet specific safety measures as they were originally intended to be sold. Any modifications will present the risk of creating significant safety issues which NJ will not be responsible for.

## Proper use

- DO NOT** use for commercial purposes
- DO NOT** place on uneven floor or surface
- DO NOT** use as a step-stool or stand on nightstand
- DO NOT** put hot liquid directly on nightstand
- DO NOT** leave spilled liquid on nightstand
- DO NOT** use if nightstand is damaged or broken
- DO NOT** make temporary repairs
- DO NOT** use outdoors

# We are only in business if you're happy

For starters, thanks for being you.
