This series is made entirely from air-compressed foam. The sofa may feel too soft or under-inflated immediately after unpacking. Please allow at least **72** hours for the foam to fully expand and regain its intended shape and firmness before use. Each carton includes a piece of felt fabric. Attach it to the Velcro strips at the bottom of the sofa to connect the individual modules together. If you are using a single sofa module and do not need to combine multiple pieces, this felt fabric is not required. Place the pillows (H) on it.

 Tear off the Velcro strip cover before pasting.
