How to Put on the Cushion Cover

1. Take the cushion covers and inner inserts out of the carton.

2. Fold the inner in half, pushing the sides together, then begin to slide the cover onto it.

3. Align both far corners, then gently compress insert while fitting cover around it.

4. To avoid a stuck zipper, please pull the fabric away from the zipper before moving forward.

5. When all done, please pat the cushion or give it a little shake to make it more flat.
