STEP 14

STEP 15

To install the Top (1) onto the Vanity (2).
Apply silicone caulk along the top edge of the wooden cabinet.
With the help of another adult carefully lower the sink top
with the sink already assembled onto the cabinet.
Make sure the sink top is flush with the back of the
wooden cabinet and aligned with the left and right side panels.
Apply installation adhesive to secure the Top (1) to the Vanity (2)

WARNING

Serious or fatal crushing injuries can occur from furniture tip-over.
 If the furniture tip over restraint kit is not in the box, please contact our customer service department in order to obtain another kit before using the furniture.
