Make sure all four legs rest evenly on the floor, then use the Allen Key to fully tighten all previously loosened bolts. If the chair remains uneven, adjust the legs or slightly loosen and retighten the bolts until stable.

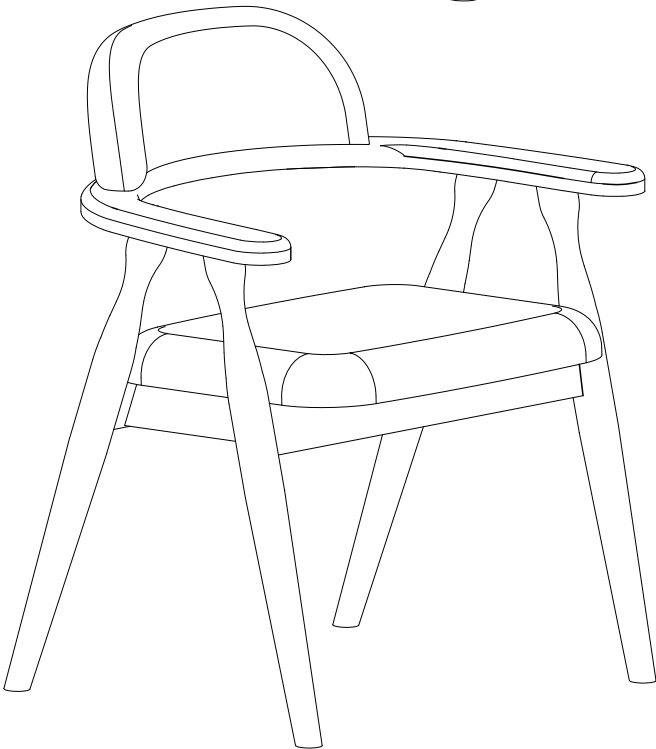

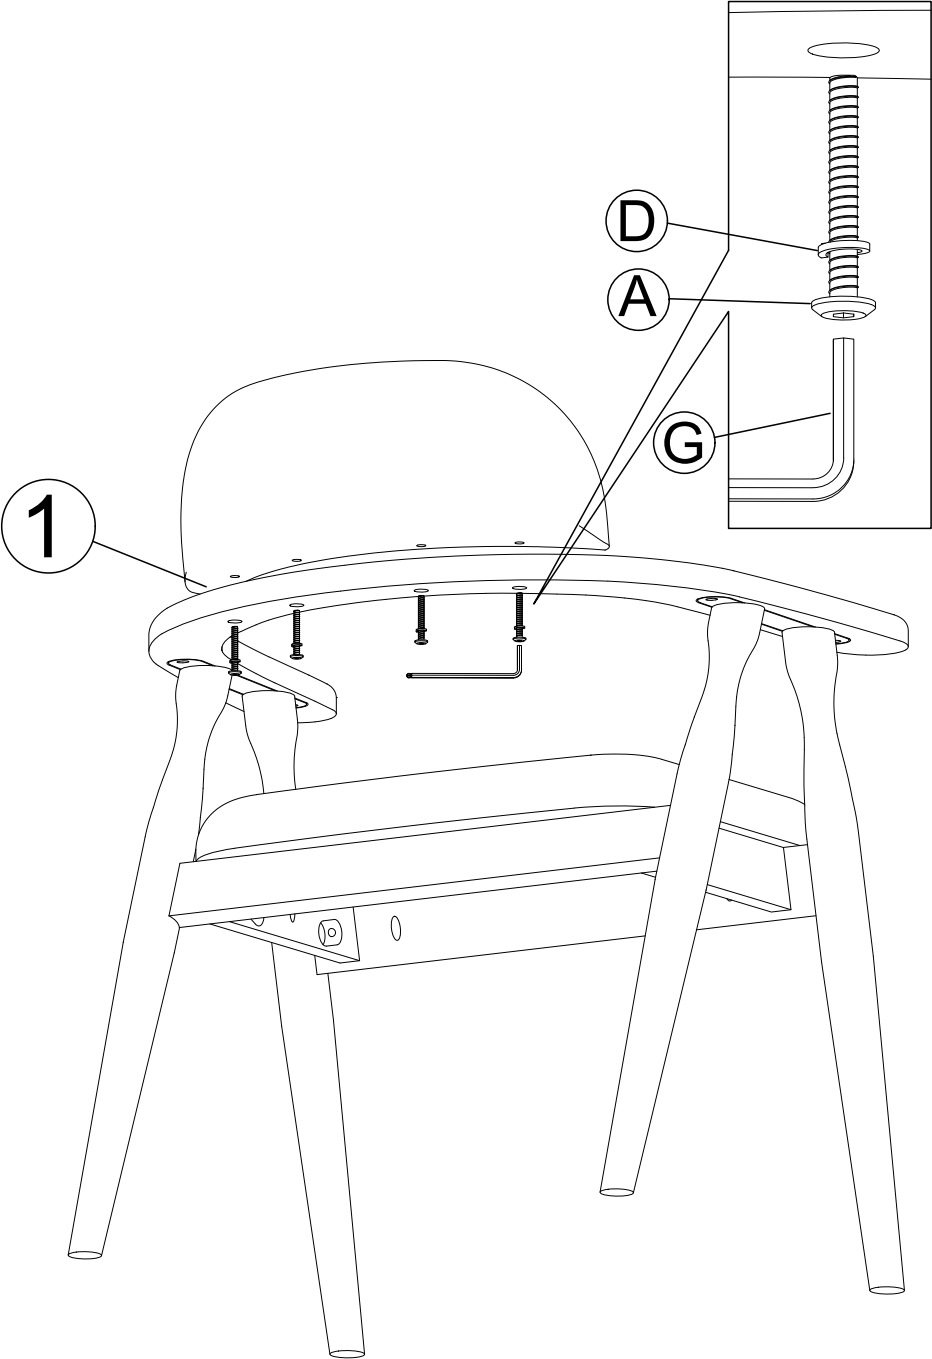

Assurez-vous que les quatre pieds reposent uniformément sur le sol, puis utilisez la clé Allen pour serrer complètement tous les boulons précédemment desserrés. Si la chaise reste instable, ajustez les pieds ou desserrez légèrement et resserrez les boulons jusqu'à ce qu'elle soit stable.
