Assembly Preparation

Before
Beginning
Assembly:

• Read instructions, cover to cover-

• Have 2 adults on hand for assembly-

• Do not assemble on flooring or carpet-

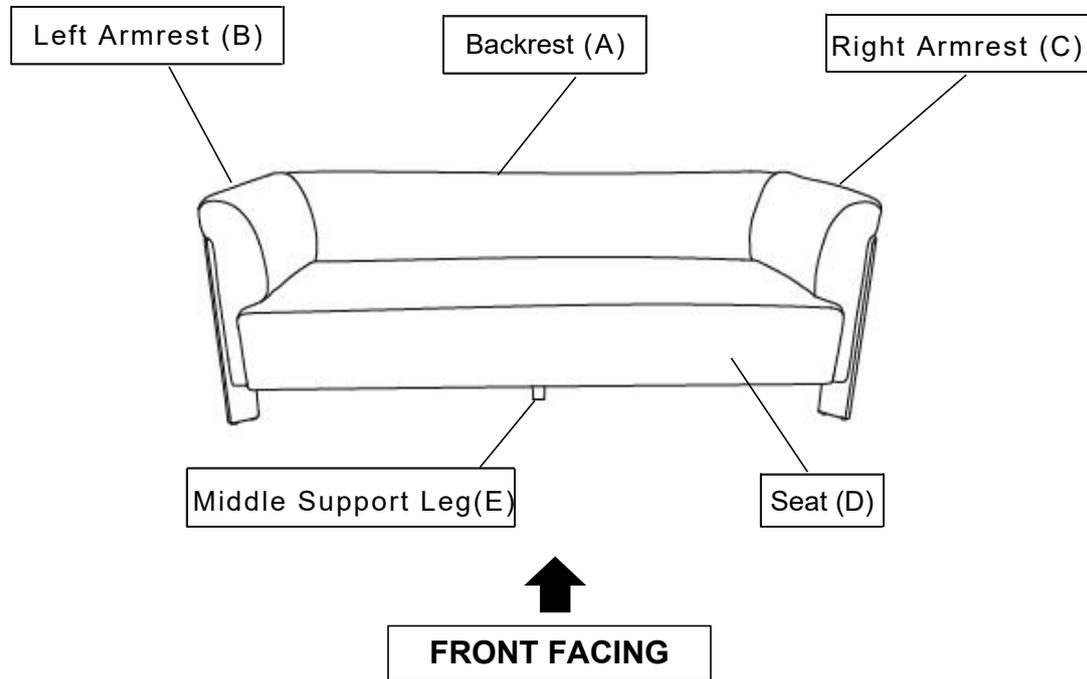

• Assemble on a clean non-marring surface (packing foam)-

• Save all packaging until finished-

Assembly Steps

This Sofa has multiple parts and may require up to 30 minutes to assemble.

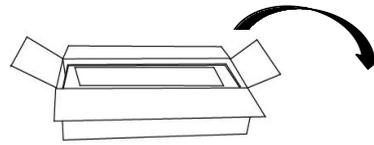

To give you an overview of the Sofa parts, the above picture is to help you put the various parts into perspective.

Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Note: It is recommended that you have an adult partner to assist during the entire assembly process.

Step 1

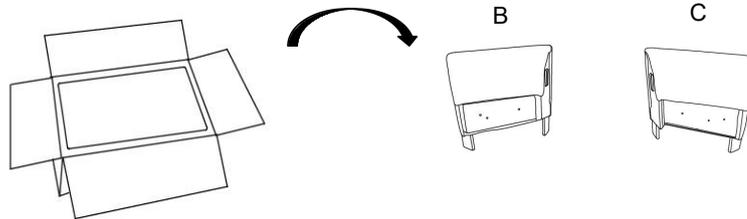

Carton A-N771P418620

Take out the Backrest(A), Seat(D), Middle Support Leg(E) and Hardware box from the Carton A, place it on a clean, non-marring surface.

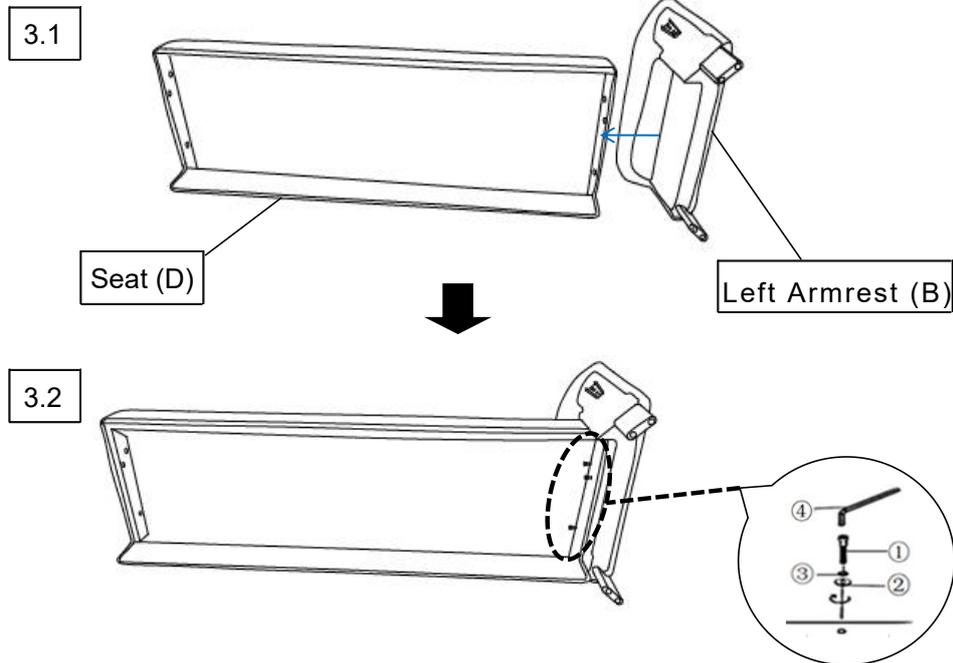

Step 2

Carton B-N771P418621

Take out the Left Armrest(B) and Right Armrest(C) from the Carton B and place them on a clean, non-marring surface.

Step 3

Make sure your assembly area is clean and soft to prevent the wood parts being damaged during assembly.

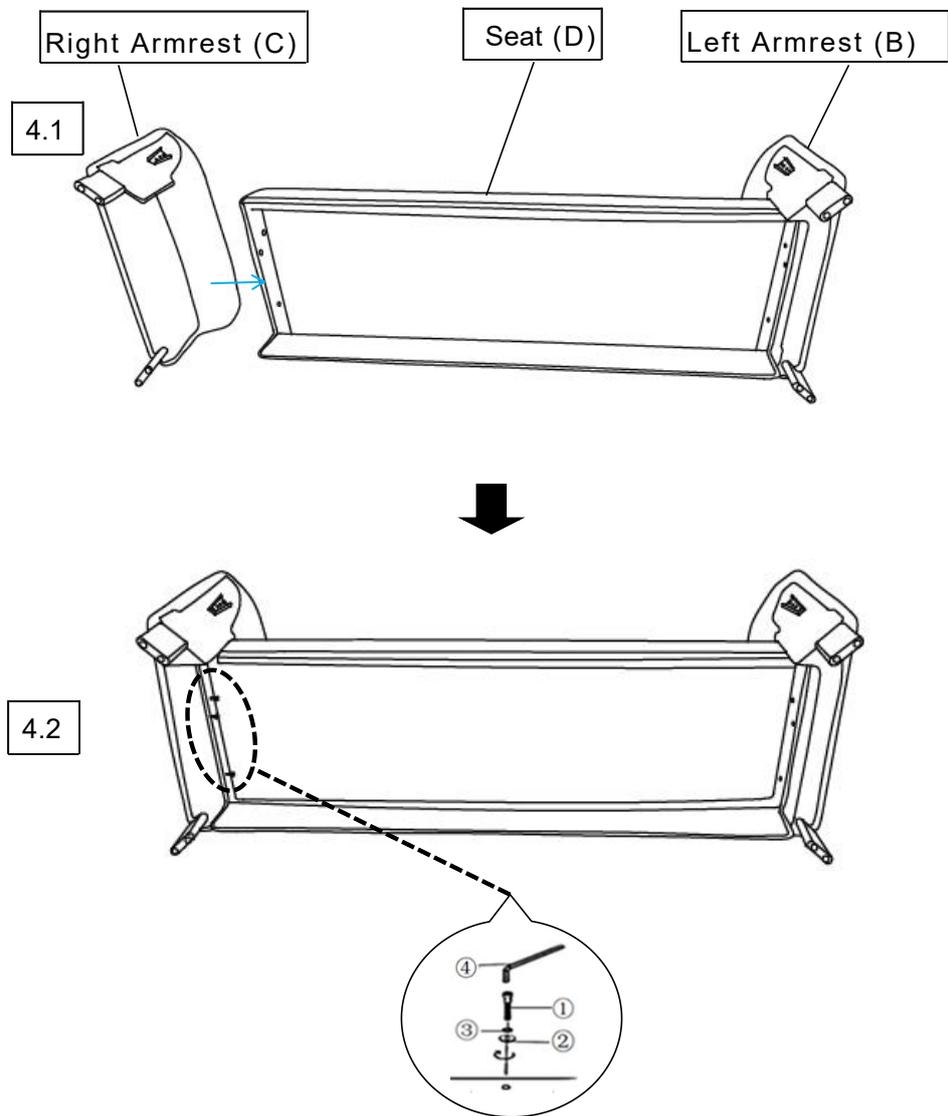

With the assistance from your adult partner:

3.1) Move the Left Armrests(B) towards the Seat(D).

3.2) Attach the Left Armrest (B) to the Seat(D) using 3 Bolts(①), 3 Spring Washers(③), and 3 Washers(②) with the Allen Wrench(④).

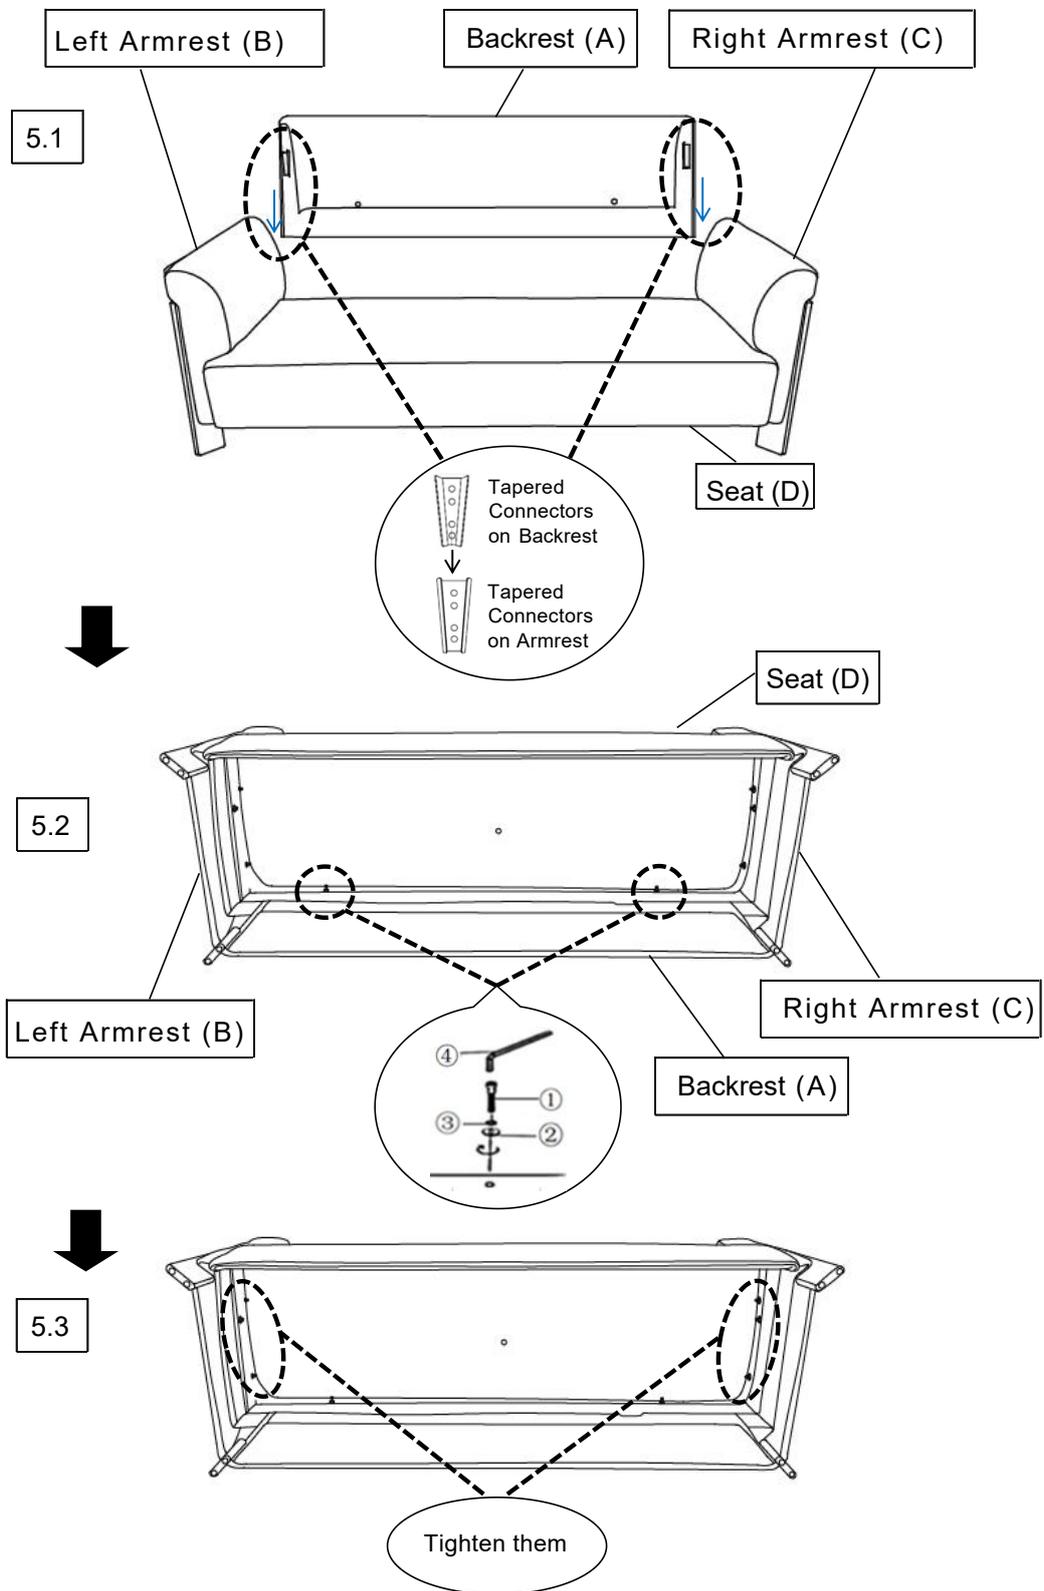

Note: Do not fully tighten the bolts.

Step 4

Repeat on the Right Armrest (C) same as Step3.
Note:Do not fully tighten the bolts.

Step 5

With the assistance from your partner.

5.1) Shown as above picture, Lift the Backrest (A) up, make sure the Backrest (A) is vertical and aligned to the Armrests. Align the Tapered Connector on the Backrest (A) with those on the Armrest (B & C). Your adult partner may need to push the Armrests towards the Backrest (A) to allow for better alignment.

Slip and Slide the Backrest, in a gradual and balanced manner in to the Tapered Connectors.

5.2) Shown as above picture, Lock the Backrest (A) onto the seat frame using 2 Bolts (1), 2 Spring Washers (3), and 2 Washers (2) with the Allen Wrench (4).

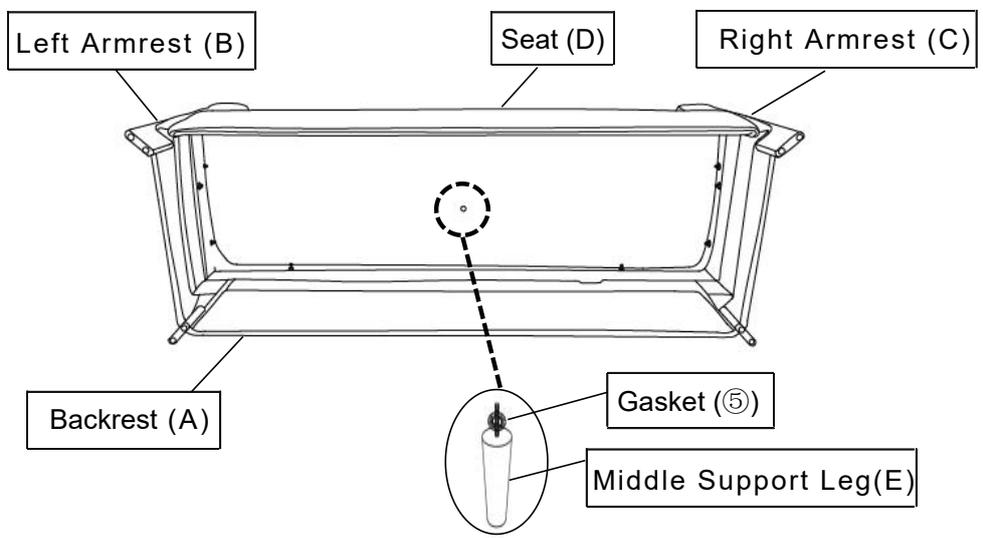

5.3) Tighten the bolts on the Armrests which pre-screwed in Step 3 & 4.

DO NOT fully tighten a Bolt in one go and then move on to the next.

Rather, In a sequential manner, gradually tighten each Bolt until all Bolts are evenly secured.

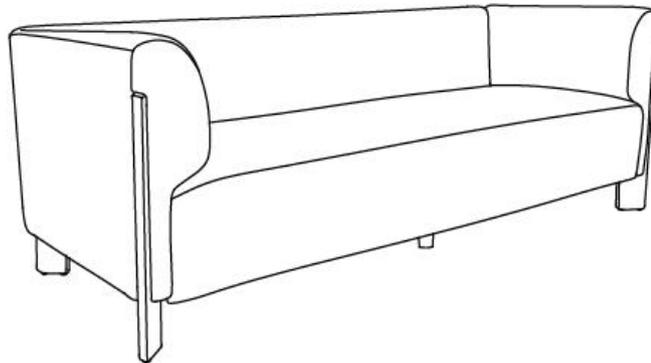

This methodology will ensure maximum evenness once all Bolts are fully tightened.

Step 6

Install the Middle Support Leg(E) onto the bottom of the Sofa by placing one Gasket(5) on the threaded stem. Then insert the threaded stem into the threaded mounting position at the middle of the Sofa. Tighten by turning the Leg clockwise.

Step 7

Your Sofa is ready for use.
This Sofa can only be used on a flat, level surface.
