Assembly Preparation

Before Beginning Assembly:

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

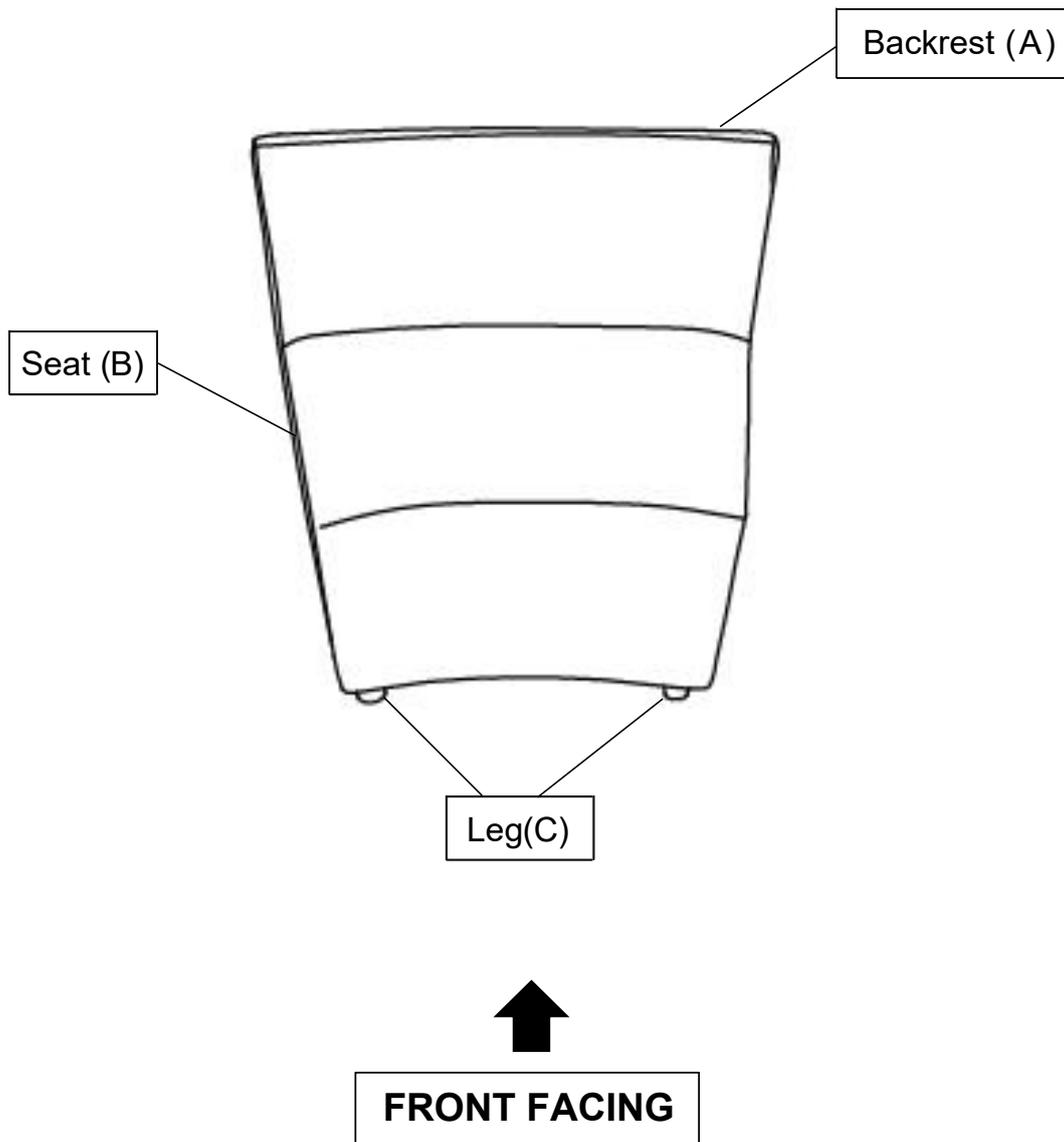

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

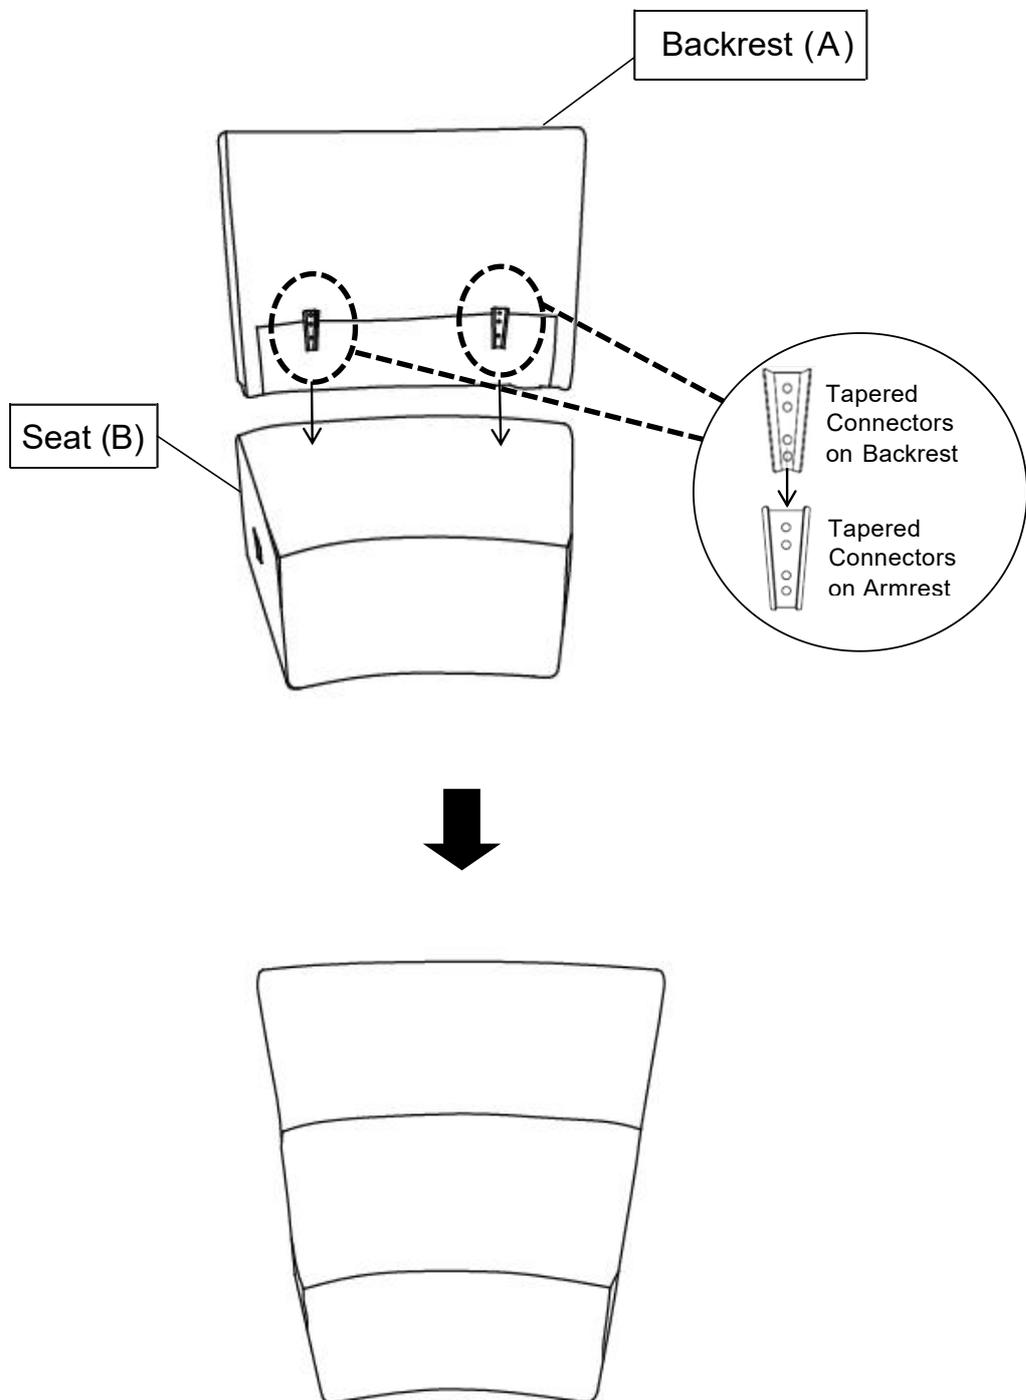

This Sofa has multiple parts and may require up to 30 minutes to assemble.

To give you an overview of the Sofa parts, the above picture is to help you put the various parts into perspective.

Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Note: It is recommended that you have an adult partner to assist during the entire assembly process.

Step 1

Open the carton and place all the parts on a clean, non-marring surface.

With the assistance from your partner.

Lift the Backrest(A) up, make sure the Backrest(A) is vertical and aligned to the Seat(B).

Align the Tapered Connectors on the Backrest(A) with those on the Seat(B).

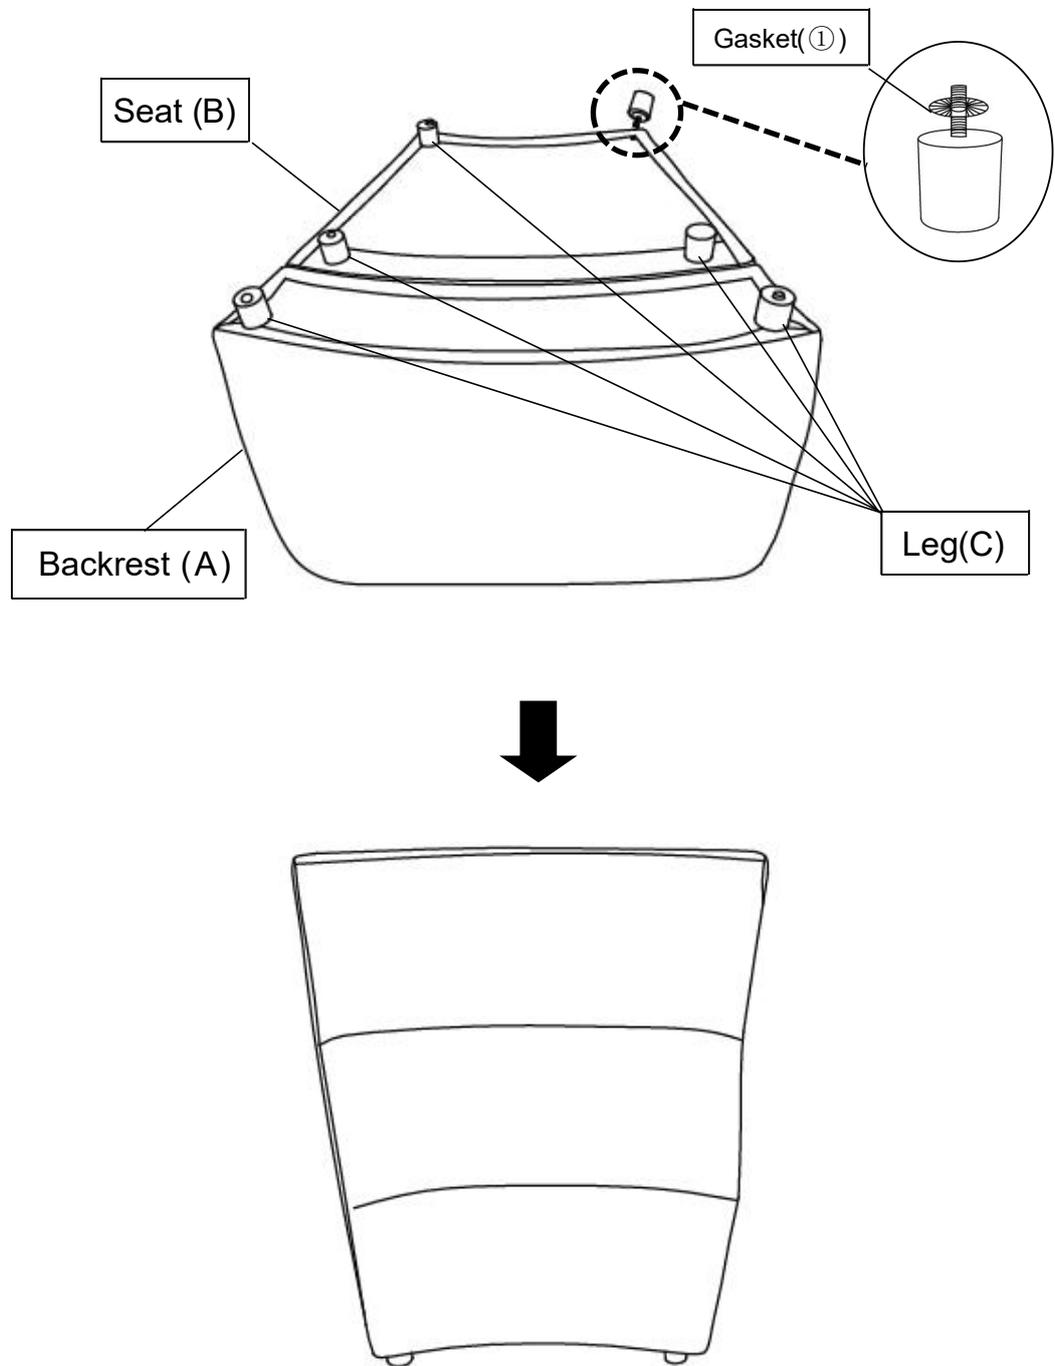

Slip and slide the Backrest in a gradual and balanced manner into the Tapered Connectors.

Push the Backrest(A) downwards until it is fully slotted and locked into position.

Note: Make sure the Tapered Connectors on the Backrest(A) lock into the Tapered Connectors on Seat(B).

Assistance from an adult partner is needed for this assembly process.

Step 2

Install the Leg(C) onto the bottom of the Sofa by placing one Gasket(1) on the threaded stem. Then insert the threaded stem into the threaded mounting position at the corner of the Sofa. Tighten by turning the Leg clockwise.

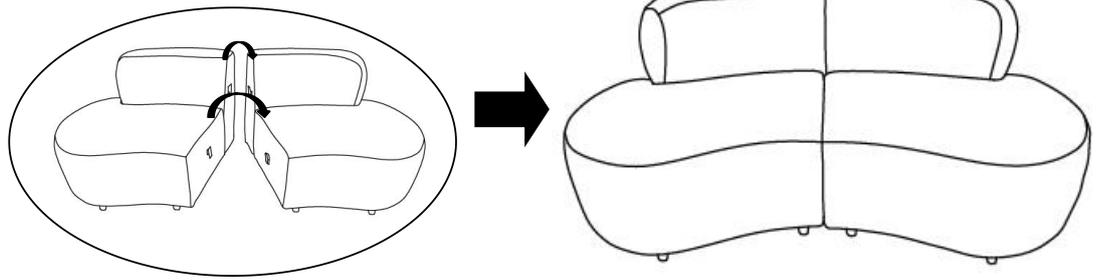

Repeat the same step to install the remaining Legs.

Note: The use of Gaskets are OPTIONAL and are especially useful to help alleviate slight wobbles.

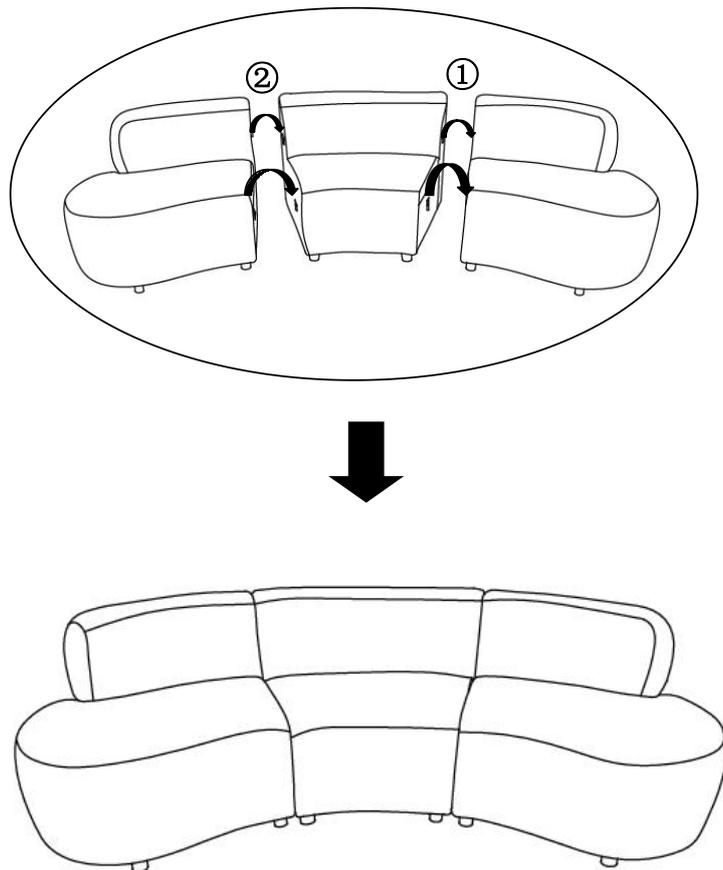

Some Legs may need more than one whilst some legs may not need any.

Additional Steps

Option 1

Option 2

Connect the Sofas by intersecting the metal brackets as above shown.
Make sure all parts are connected and securely locked into position.

Your Sofa is ready for use.

This Sofa can only be used on a flat, level surface.
