

Embrace Collection

Embrace love, life and everything in between with the Embrace Collection. As two pieces interlock with each other, it's a collection for those who are made for each other.

Stunning and full of love, the Embrace Collection captures the story of soulmates falling perfectly in place with each other, while being able to stand alone with confidence and poise. Visualize the standout engagement ring being embraced by a separate halo band, fusing them together as though they were made for each other.

As two become one, it makes for the perfect fit.
