PULASKI

a heritage of design and craftsmanship

Craftsmanship Details

Pulaski Furniture is the largest purveyor of Curios and Display Cabinets in the world. Our distinctive cases bring a refined elegance into your home as they showcase your treasures. No one offers more selection in types, styles or sizes. There is a wide variety of door offerings including hinged front, side entry, and sliding doors which show no hinges at all!

Each cabinet is unique and distinctive, and feature the craftsmanship and artistry one would expect to find in fine furniture including: hardwood frames, fine veneers, stunning finishes, flattering interior lighting, triple reinforced joints, plate grooved glass shelves, and a multi-step sanding and finishing process. Typical shelves are adjustable and can hold up to 25 lbs. Our rigorous standards ensure that your cabinet is of the finest quality and will bring enjoyment and pleasure for years to come. Please see the catalog for the specific features of your curio and visit our website www.pulaskifurniture.com to see the newest designs.

Adjustable Glass Shelves

Adjustable glass shelves provide the flexibility you need to display pieces of various shapes and sizes.

Plate Grooves

To prevent special items from slipping, plate grooves have been added to each shelf, in most models.

Finished Edges

Additionally, shelf edges are polished for a refined detail.

Color Matching Splines

Cushion glass around the edges, stabilizing the glass to prevent rattling or possible breakage.

Adjustable Floor Levelers

To establish a solid foundation, adjustable levelers are provided on most models. These allow you to stabilize your display cabinet on uneven surfaces.

& Quality Guide

Interior Lighting

Most models offer interior lighting with adjustable levels, allowing you to choose a setting that best highlights your items.

Triple Reinforced Joints

Provide unequaled stability and longevity.

2-Way Sliding Door

Many of our display cabinets feature two-way sliding doors which allow you to arrange your special treasures with ease, and is lockable for added security.

Felt Strips

Significantly reduce dust inside your display cabinet.
