

Nantucket

S I N K S

Single Bowl Apron 332210-16

This Pro Series Apron gives a contemporary spin to the traditional farmhouse sink. The bottom of the sink has channel grooves to divert water for proper drainage. Crafted from 304 16 gauge Stainless Steel with a satin finish. Nantucket Sinks are sprayed with a special insulation to reduce condensation. Rubber padding is applied for noise reduction.

Grids available for almost all sink bowls, some exceptions exist
