ADDITIONAL TOOLS(Not Provided)

Note:It is not recommended to use power tools during assembly.

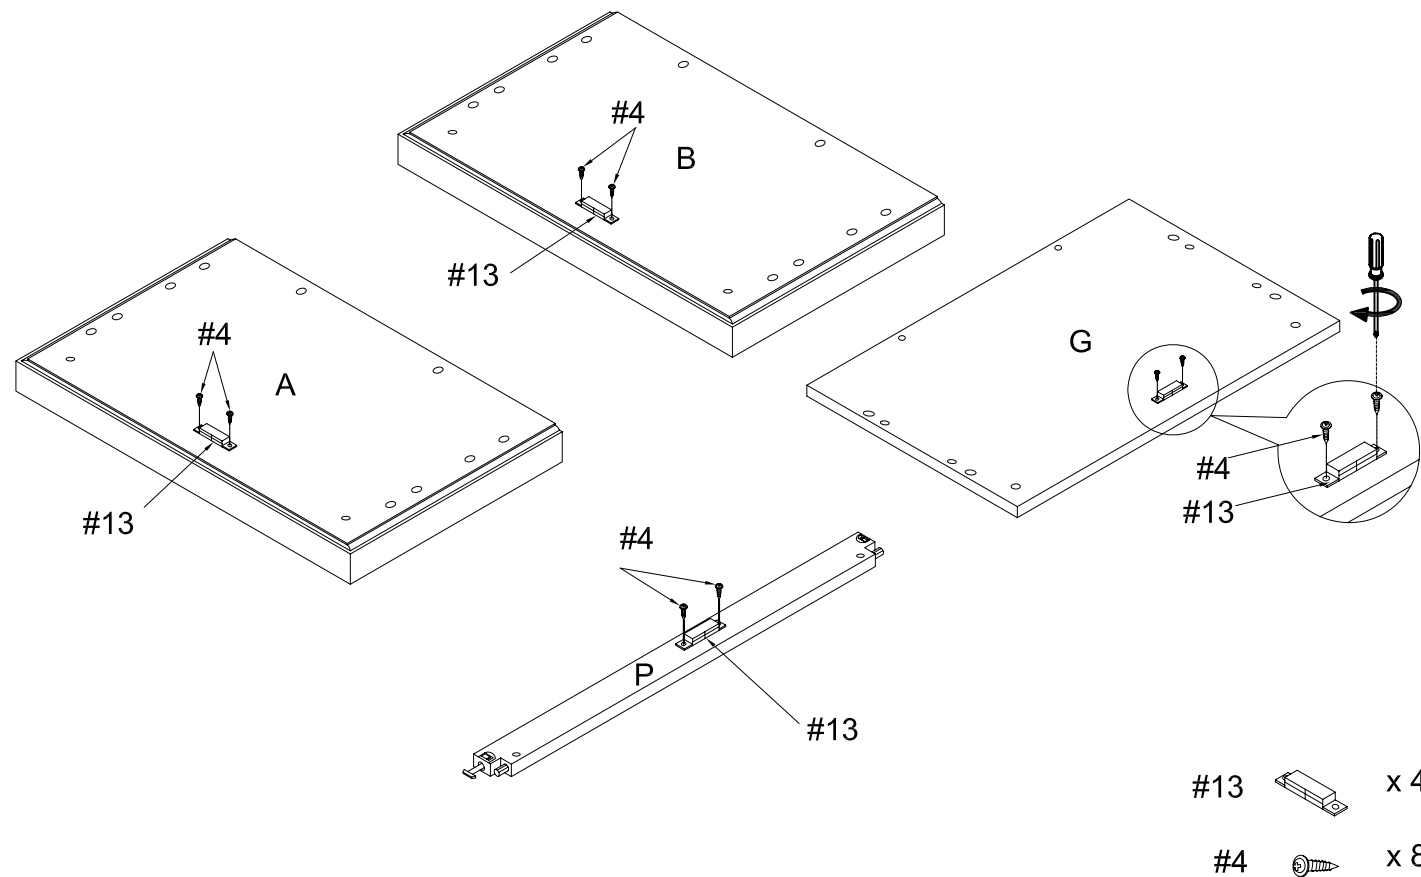

Please do not use tools to assemble this unit unless specifically indicated.

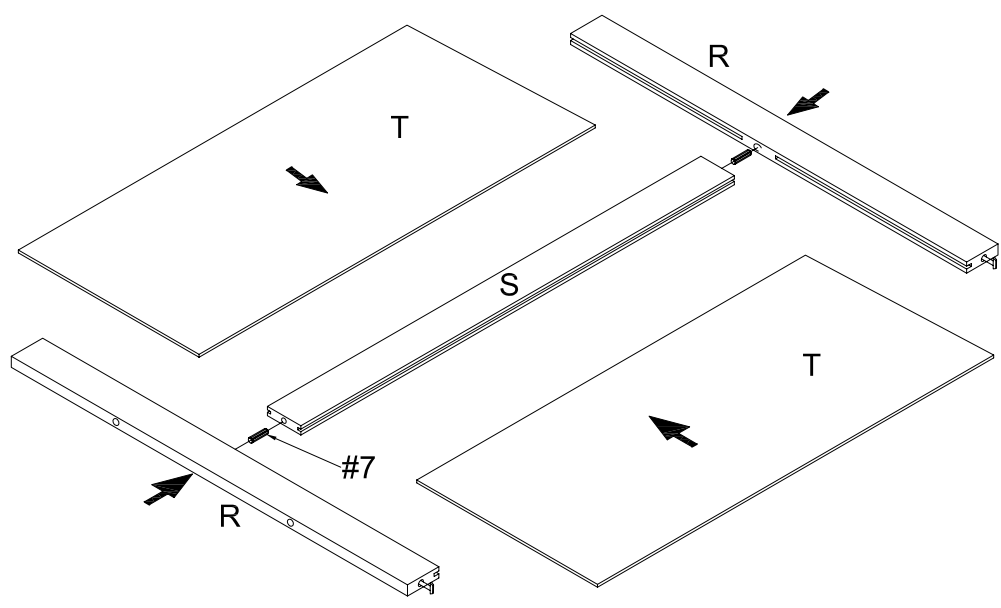

Reference the images above any time the instructions state "lock the hardware".
Note: Be sure to check all hardware is locked when completed.

Step 1. Attach magnets (part #13) to top panel (part A), bottom panel (part B), middle shelf (part G) and front rail (part P) using screws (part #4) and Phillips head screwdriver.

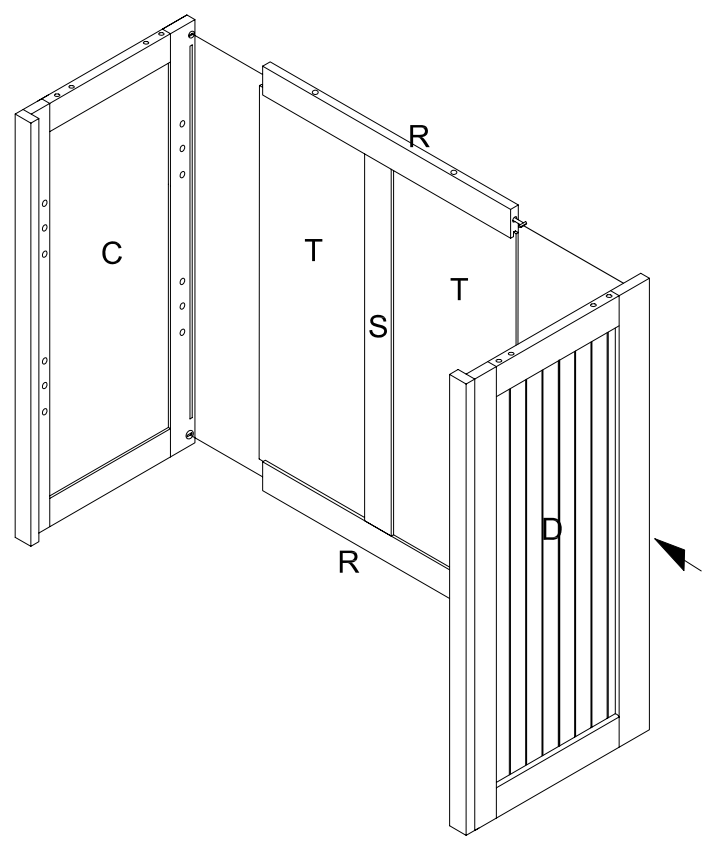

Step 2. Attach back rails (part R) to back partition rail (part S) using wood dowels (part #7), then slide back panels (part T) into grooves of part R & S as shown. Please repeat this step for another set of back panels.

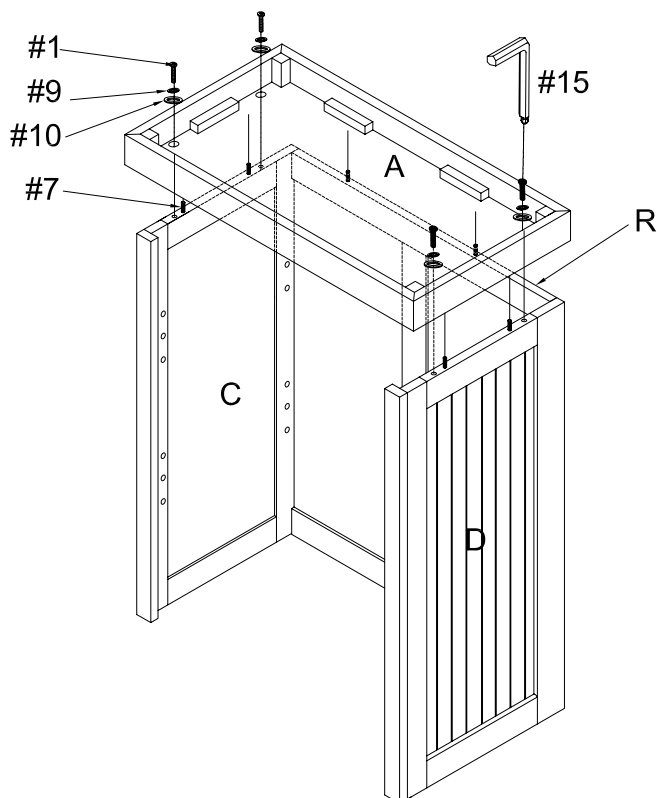

#7  x 4

Step 3. Attach upper left side panel (part C) and upper right side panel (part D) to back rail (part R) as shown and lock the hardware.

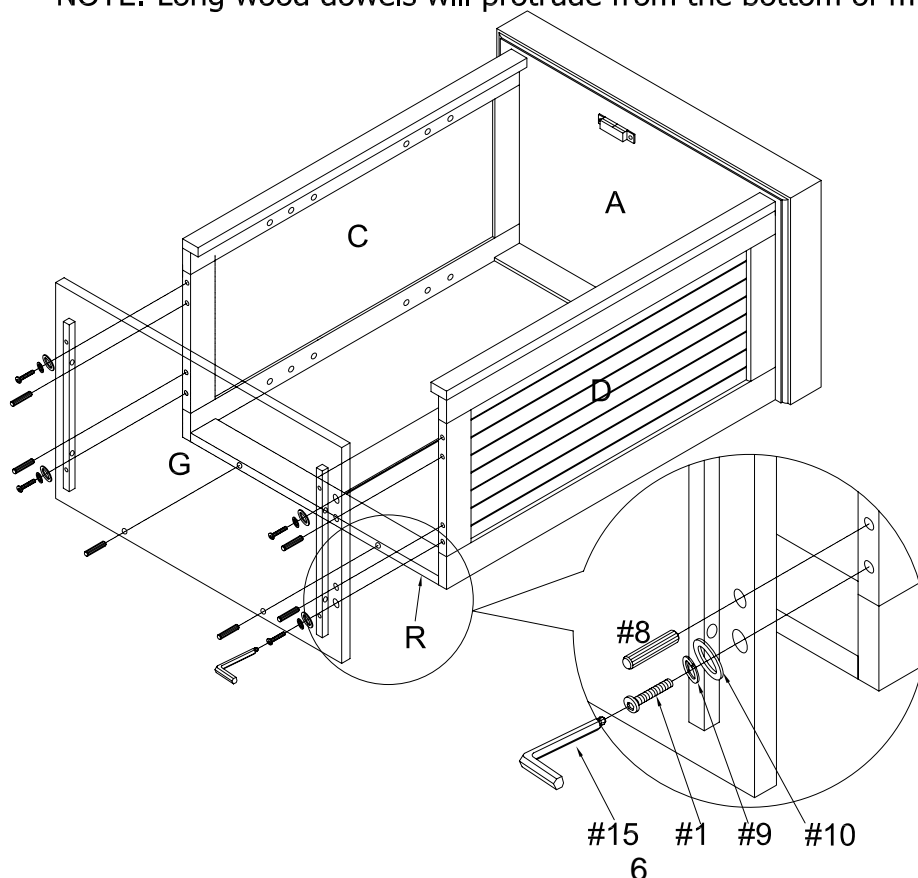

Step 4. Attach top panel (part A) to upper left side panel (part C), upper right side panel (part D) and back rail (part R) using wood dowels (part #7), long hex socket head bolts (part #1), spring washers (part #9), flat washers (part #10) and allen wrench (part #15).

#1		x 4
#9		x 4
#10		x 4
#7		x 6
#15		x 1

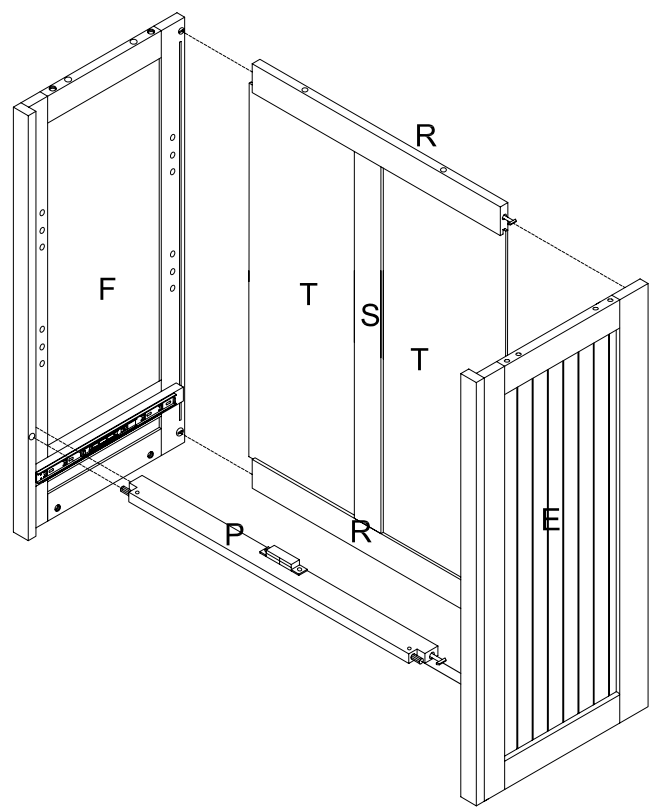

Step 5. Carefully lay down assembled unit (part A, C, D, R, S & T) on a soft surface such as carpet as shown. Attach middle shelf (part G) to upper left side panel (part C), upper right side panel (part D) and back rail (part R) using long wood dowels (part #8), long hex socket head bolts (part #1), spring washers (part #9), flat washers (part #10) and allen wrench (part #15).

NOTE: Long wood dowels will protrude from the bottom of middle shelf (part G).

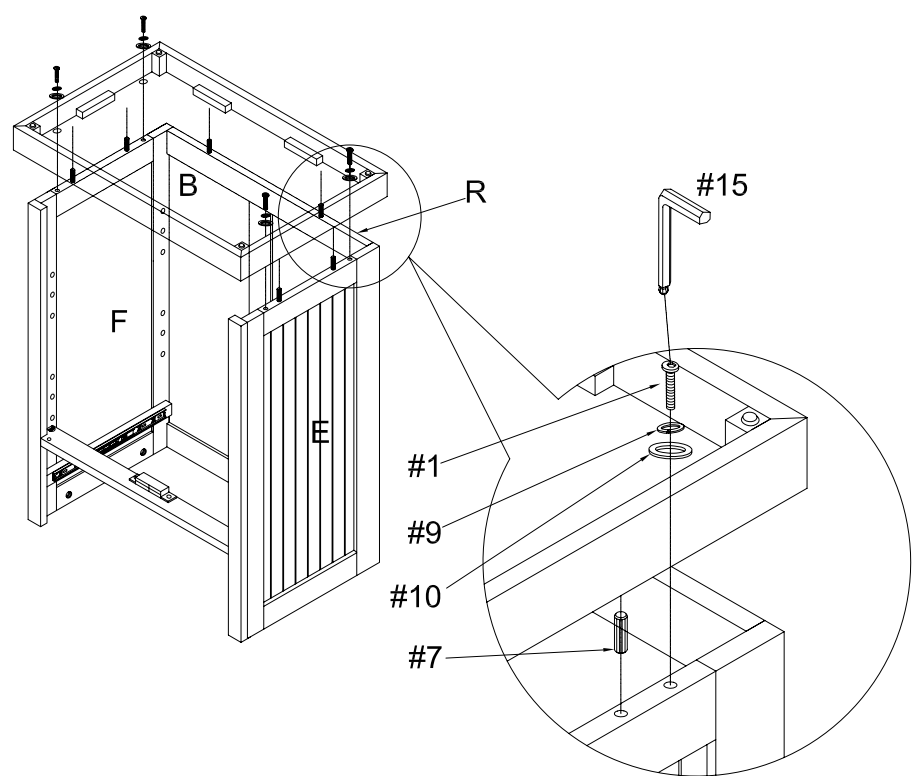

#1		x 4
#9		x 4
#10		x 4
#8		x 6
#15		x 1

Step 6. Attach lower left side panel (part E) and lower right side panel (part F) to back rails (part R) and front rail (part P) as shown and lock the hardware.

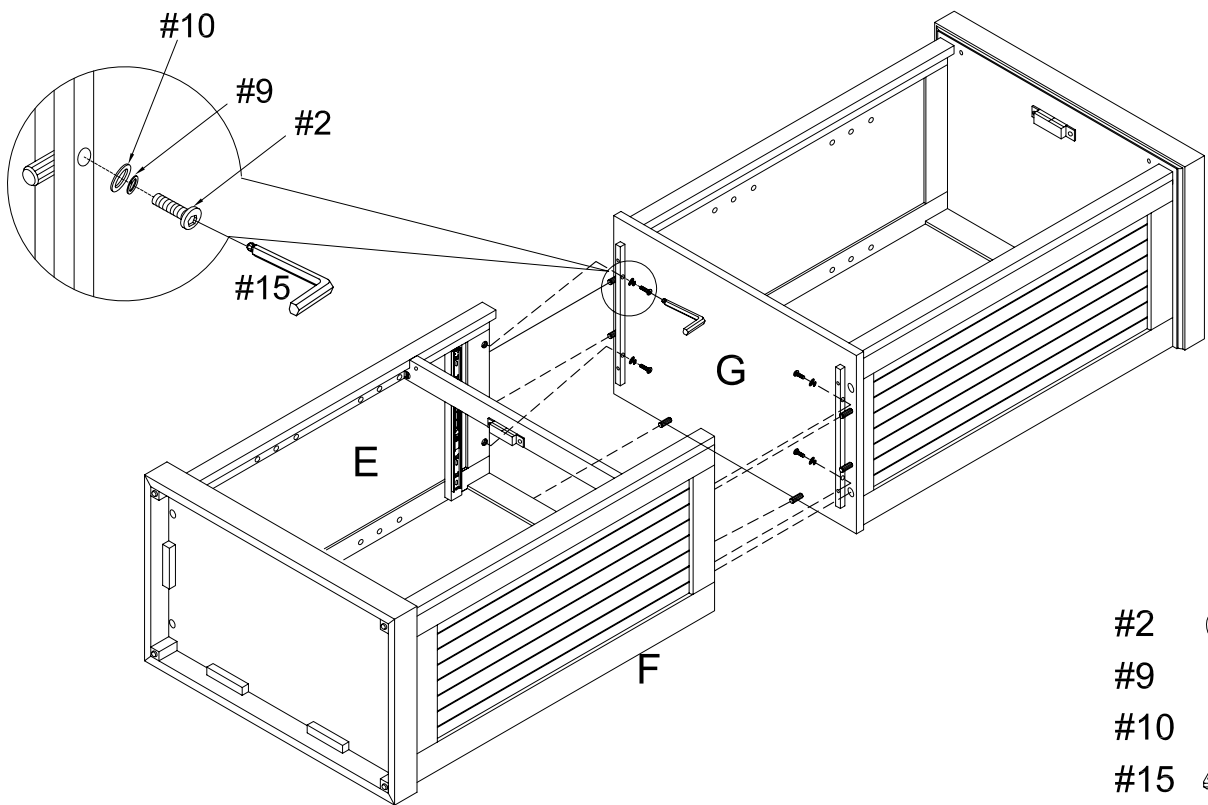

Step 7. Attached bottom panel (part B) to lower left side panel (part E), lower right side panel (part F) and back rail (part R) using wood dowels (part #7) , long hex socket head bolts (part #1), spring washers (part #9), flat washers (part #10) and allen wrench (part #15). NOTE: Please fully tighten bolts at this time.
