WARNING. The hidden compartment is NOT a security safe. The inner contents in the hidden compartment are the sole responsibility of the user and are to be stored at the user's discretion. Regardless of loss, seizure, damage, or changes in condition to the inner contents of the hidden compartment, the manufacturer is not liable for the contents stored in the hidden compartment.

How to use the concealed compartment

Diagram 8.

The hidden compartment is built in, shipped with the locking bolt (if installed), and is disengaged and unlocked. In order to engage the hidden compartment lock, please remove the sticker which blocks the bolt (see the diagram 8).

This sticker identifies the designated position. Place the magnetic key here to unlock the concealed drawer.

* Before removing the sticker, please note the designated position.
