

ST. VALENTINE'S DAY

HISTORY

>800 BC
A pastoral festival of ritual cleansing called Februa, is celebrated on what becomes the 15th day of the Roman month.

~400 - 800 BC
The Roman festival of Lupercalia subsumes the festival of Februa. Observed February 13 through 15, men stripped naked, grabbed whips, and spanked young maidens to increase health and fertility, avert evil spirits, and purify the city.

270
On February 14, Saint Valentine is executed by Emperor Claudis II for performing marriages in secret after it was banned in order to boost army enlistment.

500
St. Valentine's Day is officially established by Pope Gelasius I at least 150 years after Constantine made Christianity the official religion of the Roman Empire to overshadow the Pagan celebration of Lupercalia.

1382
Valentine's Day is first associated with romantic love by Geoffrey Chaucer in Parlement of Fouls. "For this was Saint Valentine's Day, when every bird cometh there to choose his mate..."

1420
The oldest surviving Valentine is written by Charles, Duke of Orleans to his wife. "I am already sick of love My very gentle Valentine..."

1847
The first mass-produced valentines are produced and sold in the US by Esther Howland.

1969
The feast day of Saint Valentine is removed from the Roman Catholic Calendar of Saints.

1996
The first e-valentine is sent giving rise to a new tradition of e-cards, love coupons and printable cards.

2011
The Iranian printing works owners' union issued a directive banning the printing and distribution of any goods promoting the holiday.

For every 100 single women in their 20s, there are 120 single men.

RINGS

The first diamond ring was given by Archduke Maximilian of Austria to Mary of Burgundy in 1477.

Wedding rings are typically worn on the left hand because the ring finger on the left hand contains the *vena amoris*, or the vein of love.

Stock traders with long ring fingers made up to 11 times more earnings than those with average length ring fingers.
